

County's Deer Herd Counted; Doe Season Will Probably Be Held

Eight men, under the supervision of Jim Teer of the Fish and Game Commission and assisted by Game Warden August Herman, are now making a count of the deer herd in Medina County.

A new car to be registered in the Medina County Tax Collector's Office was purchased by Jesse T. Box 187, Hondo. It was a two-door, dated Oct. 1957.

rbc
Total county valuation for 1957 is \$2,470,395, according to the Robb, tax assessor. This is \$39,845 below the valuation of \$2,510,240 collected in 1956. Taxes are 1.5 percent in 1957. Taxes are payable at the tax assessor's office in Hondo.

rbc
D'HANIS LAND Judging Team placed first in the Revaldine District and Land Judging Contest held at Barksdale Oct. 6. Members are, from left to right, Ramon Garcia, Tom-

have counted enough deer to ascertain that doe season will again be held in Medina County this year from Dec. 1 through Dec. 15. Careful consideration is given to the drought condition in this area, the fitness of the herds, and pasturage. We are convinced that in order to insure bigger and healthier does and bucks with better horn spread and points, that thinning out some of the does is necessary at this time.

A meeting will be held in the Court House on Nov. 1, at 7:30 p.m., to give an official report of the deer count to the farmers, ranchers and hunters, and to explain how the range and herds will be improved in the future with the doe season permitted this year. Teer explained that the public is cordially invited to attend the meeting.

Beginning Nov. 5, through noon, Nov. 10, Teer and Timmerman will be at the Hondo Chamber of Commerce to accept applications from farmers and ranchers who desire to take part in the program and to issue permits the same day as application.

"This is not a compulsory program," Teer explained, "and no one has to lease his land unless he desires to do so; however, after noon, Nov. 10, no applications or permits will be issued. I repeat, no applications or permits will be issued."

Two checking stations will be set up this year. One in Hondo and one in Castroville. The locations will be given at a later date.

Oil News
Wells Staked In County
By Dick Tatum
Five new well sites have been staked in Medina County but none will be drilled in the immediate future.

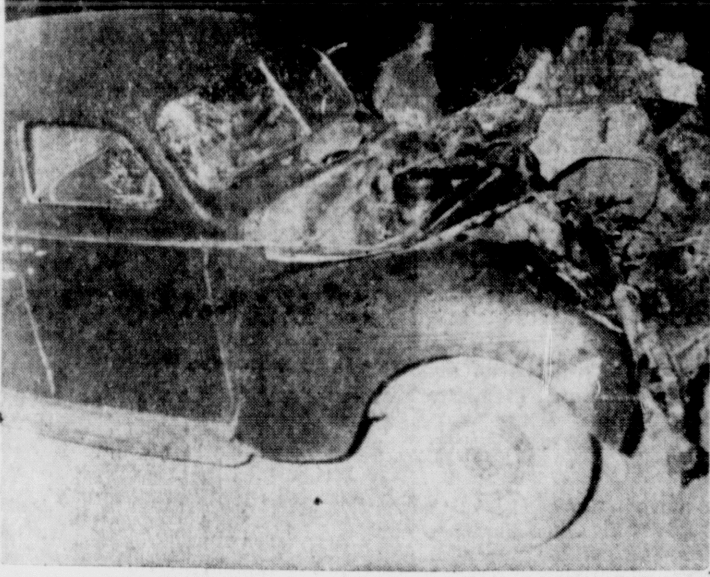

Flato & Bates is planning a 1,800-foot tester in the Taylor Ina field, five miles S. E. Hondo, on the Oscar Miller land.

G&W Oil & Gas Co., Inc. have staked three new wells on Joseph A. Lamson's land five miles S. W. LaCoste. All will be 1,200-foot testers in the Chicon Lake field.

A 500-foot tester has been located by L. D. Jetton on the Jose Rodriguez land, four miles S. W. LaCoste.

No completions were reported last week.

Drilling Progress
Farnsworth & Chambers Co. Inc.'s 2,000-foot Wildcat on the Carle Mercantile land, 11 miles S. S. W. D'Hanis, was last reported drilling past 1,240-feet.

FOUR PERSONS WERE INJURED, none seriously, when this car and a trailer truck collided near Castroville last Saturday night. Occupants of the car were Mrs. Regina Burrell, and her son, Dick. They reside in Castroville. Mrs. Burrell received compound fractures, cuts and bruises.

Hondo, D'Hanis FFA Enter Soil Contests

Four Hondo FFA boys entered their first Range Judging Contest last Saturday at Nueces Canyon Schools. The schools in Uvalde County have held Range Judging Contest in their Soil Conservation District Judging Contest for the past two years.

The Revaldine FFA District Soil and Range Judging was held Saturday with the assistance of the Soil Conservation Service. The morning session was taken up by talks and demonstrations on Soil and Range Judging by SCS men. A goat Barbecue dinner was served 75 boys and friends at noon by the Nueces Canyon Chapter.

The two FFA Contests were held Saturday afternoon with eight teams or schools entered in each event. The Range Judging has replaced the Grass Judging and classification contest that had been held for the past eight years on district basis.

Winners in Soils Judging were D'Hanis, first; Uvalde, second; Nueces Canyon, third; and Devine, fourth. Winners in the Range Judging were Utopia, first; Uvalde, second; Nueces Canyon, third; and Hondo, fourth. Banners were awarded the first three teams in each event and individual awards were given first and second high point boys in each event.

Range Judging Cards are divided into three parts — identification of 20 grasses or plants, the rating of the vegetative cover as to carrying capacity and the placing of four range sights with reasons given for placing one sight over the second sight.

The Range Judging event strives to give a person a better idea of the relationship of soil types and soil management to the kinds of grasses that will grow. The Hondo range judging team was made up of Clyde Bohmfalk, Henry Balzen, Robert Wurzbach and Wayne Balzen.

Held In D'Hanis
Homemakers Meet
D'Hanis — More than 300 future homemakers and their advisors met here Saturday for the District I, Area VII Future Homemakers of America convention, held on a local level.

Theme of the meeting was "Build Your Future on a Foundation of Faith." Speeches and reports during the day were designed to help each member present become a better American and Future Homemaker.

Gerald Schnepf, SM, Ph. D., from St. Mary's University at San Antonio, spoke on the subject, "Build Your Families on a Foundation of Faith."

Edwards Water District Is Discussed At Meeting

Car-Truck Collision Injures 4

A car-truck collision at Castroville Saturday night left four persons injured, none fatally. In Castroville Clinic following the accident were Dick Burrell and Mrs. Regina Burrell, occupants of the car and residents of Castroville, and occupants of the truck, Jesse Joyner and Paul Prescott, both from Tampa, Fla.

Mrs. Burrell, 74, received compound fractures, including a broken wrist, while the other men received only cuts and bruises. All are suffering from shock, according to hospital authorities.

According to an eye witness to part of the accident, Mrs. R. L. Kenny from Dunlay, the truck hit the car, after swerving to avoid the collision and started to the side of the road just outside Castroville, about 100 yards from the Medina River bridge.

The driver of the truck decided to take the road beside the bridge but found that it was not a road too late to avoid going over the side into the river.

Mrs. Kenny's husband, Robert, was one of the first men at the scene of the accident. He and Richard Skelton, San Antonio, helped pull the two men from the cab of the truck, which was about one foot above the water line.

Kenny, who is a member of the Medina County Sheriff's Posse, helped take care of the injured until ambulances arrived on the scene.

The truck was transporting three jet airplane engines from Florida to California, and was a total loss. It was a trailer truck. The car was turning left off of Highway 90 at the time of the accident.

HONDO'S POLITEST PERSON of the Month, chosen by the Business and Professional Women's Club, is Irene Walch. She is presented the usual corsage by Sylvia Cunningham, right, corresponding secretary. The group chooses one person from the community each month as the politest person.

Floresville Holding Annual Peanut Fete

Saturday, Oct. 13 is the big day at the annual Floresville Peanut Festival and it will be a day chock full of entertainment for old and young.

The festive occasion gets underway Friday night with the presentation of a colorful coronation depicting "The Court of Music," at the High School auditorium at 8 p.m. Queen Tunaep XIII and King Reboog will be crowned at a brilliant ceremony in which twenty Southwest Texas towns will have representatives.

Friday night will also see a mammoth street dance sponsored by the Floresville Volunteer Fire Department. Music by Rudy Gray, Capitol recording star and the Texas Kool Kats of San Antonio.

Big Parade Saturday
Ushering in the main day of the festival Saturday will be a mile long street parade starting at 10 a.m. sharp. Decorated cars, floats, exhibits, riders and special attractions along with many school bands will be featured.

Congressman-elect John Young of Corpus Christi will head the parade and will officially open the festival on the courthouse square at 11 a.m.

Women's Home Demonstration Clubs of Wilson County will operate a Peanut Products Booth on the courthouse yard. There will be other special exhibits.

Another popular feature will be the Pet Parade at 4:30 around the courthouse square, featuring pets of all kinds, carts, wagons, bikes, ponies and donkeys. Outside entries are welcome.

Pioneer Day Saturday
Also a big festival feature is celebration of Pioneer Day and Homecoming and this, too, will be a big Saturday attraction. Registration starts at the High School gym at 11 a.m. Old Fiddlers' Contest begins at 1 p.m. followed by old style dancing with real old time music through out the afternoon. Oldest Wilson County couple attending will be crowned King and Queen of the festival.

Closing entertainment feature will be another big street dance Saturday night on the town square, sponsored by Floresville American Legion Post No. 38. Music by Claude Merritt and his Texas Plainsmen.

Carnival attraction with all kinds of rides and shows on the courthouse yard will be an entertainment feature day and night.

Wilson County invites all Southwest Texas to share the joys of the 13th annual Peanut Festival at Floresville with their friends and neighbors.

Taxes May Be Levied

O. L. Moss, Hondo City Secretary, represented the city at the annual meeting of the South Texas Chamber of Commerce last Sunday and Monday in San Antonio.

Program for the affair began at 11 a.m. Sunday with registration. A general assembly was held at 1 p.m. Sunday and the Water Resources Committee met at 2:30 Sunday afternoon.

Discussion on the proposed Edwards Underground Water District was also held at the meeting. The Edwards Water District, which is being sponsored by the South Texas Chamber, embraces about an 8,000 square mile area in Southwestern Texas.

In its greatest dimensions, it is about 160 miles long from Brackettville to Kyle and about 80 miles wide from southern Medina County to northern Kerr County.

The Texas State Board of Water Engineers have made a detailed study of this area and a summary of their findings is embodied in Volume One of their publication, Bulletin 5608, "Ground and Water Resources of the San Antonio Area: A Progress Report on Current Studies." This study covers the period from 1934 to 1954 and is fundamentally a historical record of the recharge into and the discharge from the Edwards Underground Reservoir during this 20 year period.

During this 20 years, there were only three years in which the annual recharge exceeded the annual discharge. During the remaining 17 years, the excess of discharge over recharge accumulated a deficiency of about 1,700,000 acre feet. During this period, annual recharge has averaged about 400,000 acre feet a year and annual discharge has averaged 500,000 acre feet a year. That means, the Edwards Underground Reservoir is being depleted at a rate of about 100,000 acre feet per year.

The district would be financed in several ways. Districts are authorized to incur all indebtedness necessary to achieve the purposes for which it was created. This may be achieved by issuing bonds as prescribed by law. The district may levy and collect taxes of not more than 50 cents on the \$100 assessed valuation on property in the district, subject to taxation for state and county purposes. Certain exemptions (See WATER, Page 7)

Reagan Ross Injured In Accident

Reagan Ross, eight year old son of Mr. and Mrs. Fred Ross of 1410 17th St., Hondo, received a compound fracture of the lower left arm and cuts on the forehead about 8:40 a.m. Wednesday when he was struck by a car in front of the Fire Department.

Driver of the car, James Harold Steigler, 14, Bandera Rd., Hondo, was driving down Ave. K when Ross ran out from behind a parked car. He was unable to avoid the accident.

There were no charges filed in the accident.

County FB Convention
Medina County's Farm Bureau will hold a county convention at 8 p.m. Monday, Oct. 15, in the Hondo Elementary auditorium.

Leon M. Lane, state field representative for the Texas Farm Bureau, will be guest speaker.

Purpose of the meeting will be to adopt several resolutions and elect directors for 1957-58, according to Jerry Howard, president.

Members of the Hondo 60 Plus Club are pictured, from left to right, front row, Lacy McCall, Robert Routh, George McCall, Ira Hurt, Ernest Roberts, Mrs. George Neuman, S. G. Carter, W. J. Ney, Beauford Hurt and George Schuehle; second row, left to right, George Neuman, Jessie Phelps Slater, Georgia Bailey Horton, F. B. Walker, Jessie Bailey Walker,

Ike Can't Make It Rain, But He's Still Best Man

The other day I asked a farmer if it was dry out his way. He said it sure was. "Looks like we just can't get any rain," he said. "Why, when Noah had his 40-day flood, we didn't get over half an inch."

There's no mistake about it, Texas is having itself a real drouth. Some of the farmers and ranchers in our county are in such bad shape that they may vote for Stevenson.

Old Man Jones, from across the river, said he wasn't going to go to any such extreme. He said he needed rain as bad as anybody else. He claimed water was so scarce in his community that the preacher was baptizing new members with a wet handkerchief. But he was holding out awhile longer, anyway.

"I may be stubborn," said Old Man Jones, "but I just ain't been convinced that President Eisenhower is keeping it from raining."

He said he knew that Stevenson and Kefauver acted like they thought so, and they had a right to their opinion. Lyndon Johnson, he figured, knew better, but he was sticking with Adlai and Estes for the sake of unity. He said he didn't figure Mr. Sam Rayburn had known whether it was raining or not for the last 25 years.

"I hate not to go along with such a widely known crowd of weather observers," Old Man Jones said. "If there's anybody

who keeps up with which way the wind is blowing, generally speaking, it's Stevenson, Kefauver and Johnson."

Then he went on to say that he realized the national farm program hadn't pleased everybody—including him. If he was in the White House, he would do things different, at least in our county. He allowed that the \$61,000,000 spent by the Eisenhower administration for drought relief in Texas could have been doubled and still not made all the farmers happy and prosperous.

"But," said Old Man Jones, "I keep remembering that the main reason for our troubles, besides the drouth, is the fact that we are not at war. Now, if Adlai and Estes really want to jump on President Eisenhower, there is a real issue. They've sure got the goods on Ike in that respect. If he hadn't stopped that Korean War, farm prices would be higher, no doubt. I wonder why they never mention that."

Old Man Jones was kidding a little, of course, in his usual way, but I think he had something there. We have got to adjust to peace-time, which is taking awhile but President Eisenhower is working at it. And meanwhile our boys aren't fighting and dying on foreign soil. It's worth thinking about.

Yours truly,
Jex

(Pol. Adv. Paid for by Texas Democrats for Eisenhower, Weldon Hart, Director)

Sunshine Birds Hold Election

The Sunshine Blue Birds held election of officers at their meeting Oct. 4.

Those elected included president, Patricia Saathoff; vice-president, Phillips Wilson; secretary, Joy Leinweber; and treasurer, Nelwyn Ward.

Mrs. Marion Davidson is the leader, with Mrs. Harold Herring serving as the assistant leader.

Settlement News

M&M H. W. Schweers of Hondo, and M&M J. D. Schweers of the Settlement were only a few of the many who attended the golden wedding anniversary of M&M Emil Lehmberg at San Antonio. A barbecue supper with all the trimmings was served after the ceremony at the Palm Heights Methodist Church. A host of other relatives and friends attended.

M&M Sam Tschirhart, M&M Milton Tschirhart and Larry enjoyed a turkey supper with the Victor Saathoff family Sunday evening.

M&M Webster Haby and son and M&M Wilfred Hoffman and daughters visited with M&M Louis Mehr Wednesday evening. M&M Elmer Biediger were San Antonio visitors Monday.

By Mrs. R. H. Bayer

M&M Louis Mehr, Mrs. Sterley Jagge and daughter Carolyn spent Sunday with M&M Jimmie Burrell and daughter at Castroville.

M&M Hugo Naegelin and Frances were Sunday dinner guests of M&M Erwin Biediger, Kay and Vickie and M&M Wilfred Moehring.

M&M A. K. Yarbrough and Louis Mote of San Antonio, were at Hondo last week. Mrs. Yarbrough was the lucky fish catcher when the group went fishing on the coast last week.

M&M Johnnie Schuehle Jr. are proudly announcing the arrival of a baby daughter, born Friday, Oct. 5, at the Castroville hospital. The little lady is welcomed by grandparents, M&M John Schuehle Sr., M&M Philip Haby and great-grandparents, Nic Haby and Adolph Biediger.

Mrs. Lina Fuos visited Saturday with Mrs. Rosa Carle and family, Mrs. Emma Tschirhart and Mrs. Rosalie Marty, then spent Sunday with M&M J. D. Schweers.

Miss Carmen Bayer, a student at TLC in Seguin, spent the weekend with her parents, M&M R. H. Bayer. She brought along a guest, Miss Roberta Engle of Shumway, Ill., who is at present also at TLC. They all were at the Castroville School Carnival. Fred Trant of San Antonio, was also a Sunday dinner guest at the Bayers.

Mrs. Philip Haby visited with M&M Elmer Biediger, Adolph Biediger and Raymond Monday.

Mrs. Millie Jagge visited Wednesday with Mrs. Sterley Jagge and M&M Louis Mehr.

Mrs. Angeline Burger visited her brother, Hubert Burger, at a San Antonio hospital Thursday afternoon.

Mrs. William Wengenroth visited with M&M Elmer Biediger Thursday.

M&M Sam Tschirhart visited Saturday afternoon with her father, Joe Wernet, at Biry.

Herschel Brannen Dies In Houston

Herschel S. Brannen Jr., 24, died in Baptist Memorial Hospital in Houston Oct. 4, 1956 after an illness of several months. Interment was in Forest Park in Houston, Oct. 6.

He is survived by his wife, Virginia, and his parents, Dr. and Mrs. Herschel S. Brannen. His mother is the former Bess Burdick of Medina County.

Here in Hondo

M&M Glover and M&M Earl Love had dinner with the William Poerner family at Benten Sept. 16.

M&M Andrew Poerner, Mrs. Arthur Conrad, Mrs. Agnes T. Ehlinger, mother of Mrs. W. M. Poerner, Mrs. Agnes Gravell and Sept. 26 with M&M William Poerner and son at Benten.

M&M Leo Biediger and family and Mrs. Biediger's mother, Mrs. Ed Ahr, Mrs. Eddie Bendele and Miss Emma Poerner spent the day with the William Poerner family last Monday.

M&M James Odium of Yancey, entertained M&M William Schulte and M&M Joe Short with a barbecue supper last Sunday.

Mrs. Matt Bader of Sanderson, spent several days here last week with her mother, Mrs. L. J. Brucks.

Lawrence Brucks of Houston, visited his mother, Mrs. L. J. Brucks, prior to his departure on the Queen Mary for a trip to Europe. Mr. Brucks' trip will include visits to many countries on the continent as well as visits with the many friends made while he was stationed in Italy during the second world war. He will return in December.

Cards have been received announcing the arrival of Ethan Howard, weighing 8 lbs. 4 1/2 ozs., at the home of M&M Benjamin Calk, San Antonio, Sept. 30, 1956. Mrs. Calk is the former Viola Wiemers. Maternal grandparents are M&M Otto Wiemers of Hondo.

The arrival of Donald Ray, weighing 8 lbs. 7 ozs., at the home of M&M Ray McAllister, of Tuscaloosa, Ala., Oct. 3, 1956, has been announced. Maternal grandparents are M&M Charlie Ward, Yorktown, and formerly of Medina County.

M&M Roy H. Carter and Kathy spent the weekend in Encinal, visiting Mrs. Carter's mother, Mrs. Roebuck. Mrs. Roebuck had spent a few days with them last week.

The W. T. Hardys, in New York on vacation, tried to get tickets for the World Series game each day but were unable to until Monday when they saw the Yankee "perfect" game.

HD Club Council Sets Castroville Meeting

By Mrs. Estella Strayhorn

County Home Demonstration Council meets in Castroville Monday, Oct. 15 in the Herman Son's Hall. Meeting and Food Leader's Training School are scheduled to start at 1:30. Annual reports and State delegates reports will be given. Rio Medina is hostess and will give a demonstration.

The 4-H club Council will meet in the Hondo Court Room Saturday morning, Oct. 20, at 10 a.m. All of last year's council members and the newly elected presidents and council delegates of the boys and girls 4-H clubs are to attend. Committees will work on programs for the coming year and the Achievement tea for Nov. 10th.

For supper sometime, serve Rice Mexicano, Green Salad, Bowl, Toast Strips, Cheese Cake, Milk.

Recipe For Rice Mexicano

1/4 cup fat or drippings
3/4 cup chopped onions
1/4 cup chopped minced celery
1/4 cup chopped green pepper
1 cup uncooked rice
2 1/2 cups canned tomatoes
1 teaspoon salt
1 teaspoon pepper
1/2 teaspoon chili powder
2 bouillon cubes
1 1/2 cups grated or bused American Cheese
Two-thirds cups chopped cooked ham

Heat fat in saucepan, cook onions, celery and green pepper until soft but not brown. Remove. Brown rice lightly. Combine with onions, celery, and pepper. Turn into greased large casserole. In same saucepan, combine tomatoes, bouillon cubes, salt, pepper, and chili powder. Bring to a quick boil. Be sure that the bouillon cubes are dissolved. Turn into casserole. Sprinkle with cheese and ham. Bake, uncovered until rice is grainy and tender, but not mushy. This should take about 25 minutes in a moderate, 350 degrees F. oven.

Clean or wash summer clothes before storing. Right storage will increase the life of summer clothing. Here are a few suggestions: Mend and repair ripped seams, tears, loose buttons or other damages.

Wash or dry clean all garments. Store cottons and linens unironed. Be sure all starch is removed — it causes fabric to deteriorate and attract silverfish.

Dry garments and store in a dry place.

Store in boxes to make more room in closets.

If your shower and bathroom tile has a grimy look — that grey look may come from soap scum.

Remove the scum by rubbing paste of baking soda and water over the dirty areas. Some type of water softeners work well too. After cleaning, rinse the wall and wipe dry.

Ever wonder how much meat to buy — this guide may help. For boneless cuts or ground meat, allow 1/4 pound per serving. Cuts with some bone in — steaks, chops and roasts — require one-third to 1/2 pound for each serving.

For heavy bones item — spareribs, shanks, hocks — 3/4 to 1 pound per serving.

Dried beef, liver sausage, logna and some other sausages require only one-eighth to one-sixteenth pound per serving.

D'Hanis FFA Holds First Meeting Date

The D'Hanis FFA Chapter held its first meeting Sept. 18. President Othell Batto presided.

Other officers are: Ramon Rodriguez, vice-president; Ramon Rodriguez, secretary; Joe Lange, treasurer; John Rodriguez, porter; and Floyd Lutz, historian.

Since the sentinel moved to other school, George Tovar was elected for that position.

Newly elected sweetheart, Isabell Duncan. She is a senior who came to D'Hanis as a junior. She wasn't eligible for membership last year, but hopes to be a member of the D'Hanis FFA Squad.

Batto appointed three members in the Pig Circle Committee. Appointed were John Rodriguez, chairman, Floyd Lutz and David Finger. John, who is a small gift for distribution, passed it to Charles Edmonds.

Meetings have been set for first Wednesday of every month.

Here In Hondo

M&M Charles Yund of Chicago, Ill., spent three days in Hondo. He was a guest of M&M B. J. Behringer of Angelo were guests of M&M J. Delony last week.

Mrs. Will Huegele accompanied her daughter and family, the gers, from San Antonio to Castroville, where they visited M&M Huegele's son and family.

Next day, they drove to Alice another son and family.

Mr. Huegele met them to spend Sunday. This was the first time the Huegeles were all together except for one grandson, who is in the navy, and one is in college.

Millionaires Chipping In To Help GOP Campaigning

Washington — Paul M. Butler, Chairman of the Democratic National Committee, told a Senate subcommittee that the Republicans would try to buy the coming election with "the largest expenditure ever made in a political campaign."

The Subcommittee on Privileges and Elections heard testimony that:

1. The Republican National Committee has almost 20 times as much money in the till as its Democratic counterpart.
2. 99 per cent of Republican funds came from representatives of big business.
3. A special "millionaires' fund" was set up in New York City to raise \$1.5 million for the GOP ticket.

Mr. Butler said these disclosures showed how important was that Democrats throughout the country encourage contributions to Democratic campaign funds, "in order to get our case to the people and avoid a one-sided presentation of the issues."

Senate investigators expressed surprise at the hearing when John Hay Whitney, millionaire sportsman, said that the United Republican Finance Committee of New York, of which he is chairman, was confining its solicitations to New York City. The volume of its activity—it has raised more than \$600,000 in just three months—had led the Senators to believe it a nationwide organization.

The list of contributors reveals that this committee is a conduit through which millionaires and members of their families are pouring thousands of dollars into the GOP.

Seco Discusses Sitting As Opposed To Working

Editor's note: The Seco Philosopher on his Johnson grass farm discusses sitting down as opposed to working this week, one subject on which he must be an authority.

Dear editor:

I made a special trip into town yesterday to get hold of a newspaper to find out what my economic index was for this week. As I understand it, the government in Washington now knows more about whether a man is well off than he does himself and about every two weeks issues a set of figures showing whether the prosperity index is two points up or down, holding its own, etc., and while I have never been able to get a bank to honor my checks on the strength of a jump upward in the economic index, still I like to get these reports.

According to this one, the country is now at its highest peak of prosperity in history, and while the figures have the same meaning to me that the figures showing the nation was at its healthiest peak in history would have to a ways contended there was an advantage in being busted during man in the hospital, still I've prospered instead of a depression. Even if you aren't inside the stadium watching the game, there's some satisfaction in hearing the cheers of the crowd and imagining what's going on.

But don't get the idea that I'm complaining. I know there are people in Washington who say if I'd get up and go to work, I'd be better off, but that's because whoever said that doesn't know how much pleasure there is in sitting where you are. At the moment, I'm writing this sitting under a shade tree watching the month of October unfold, and if anybody in Washington thinks I'd be happier if I leaped on my tractor and started stirring up the dust, he either likes dust better than I do or he hasn't got a calendar. Furthermore, there are people who also say if a lot of government people would get up and go to work, they'd be better off, or at least the country would, but I want it understood I'm perfectly neutral in this.

Whether a man gets up or sits, is a matter for him to decide, doesn't make any difference whether he's sitting out here on my farm or in a swivel chair in Washington. And as far as the country is concerned, it's about as well off with some people sitting. There's nothing personal in this, but where were you when you read this?

Yours faithfully,
J. A.

Methodists Will Have Guest Pastor

Walter Duffard, well known among oil men as owner of South Texas Mapping Service and among Methodists as the most widely heard lay preacher in the Southwest Texas Conference, will be the guest preacher at both the 10:50 a.m. and 7:30 p.m. services Sunday at the Methodist Church, Hondo.

Duffard joined the Methodist Church 10 years ago, and since that time has held numerous jobs in his local church, in addition to membership on conference and Jurisdictional committees.

He was elected delegate to Jurisdictional Conference of the Methodist Church which met at New Orleans, La. in June, 1956. Duffard was one of the leaders for Layments Retreat at Mt. Wesley, Kerrville, in July of this year.

In recent years, Duffard has been invited into churches in Texas and Oklahoma to which he has rendered service as a "Lay-Evangelist." Hondo is the first church in this district which has been able to secure the leadership of Duffard.

Catholics Attend Convention

The Archdiocesan Council of Catholic Women met for their tenth annual convention in San Antonio Oct. 2-3.

The convention drew 290 women and priests from the Archdiocese. Keynote address was given by Rev. Roy Rihn, Archdiocesan director of vocations. Most Rev. Stephen A. Leven, P.H.D., auxiliary bishop of San Antonio, addressed the evening business session. Mass at St. Mary's Church was celebrated by Rev. Erwin A. Juraschek, ACOW moderator on Wednesday morning, followed by a coffee with the ACOW Board of Directors as hostesses. Luncheon honored past moderators and presidents.

An address was given by Archbishop Robert E. Lucey and Archbishop Denis Eugene Hurley, O.M.I. Metropolitan of the Province of Durban, South Africa.

The convention was formally closed with benediction of the most blessed sacrament at St. Mary's Church.

The Rev. Harold Ehlinger and Rev. Brian Crookes and Messrs. Volney Boon, W. O. Rothe, Walter Briedenbach, R. J. Jones, O. J.

AFB Gives Support To Texas

Efforts of Farm Bureau leaders in Texas to insure accurate classing of cotton by the government now has the wholehearted support of the American Farm Bureau Federation.

Charles B. Shuman, president of the American Farm Bureau Federation, today announced the reactivation of the AFBF Cotton Committee to give specific study to the establishment of a non-governmental cotton classing review board - for the purpose of reviewing controversies over cotton classing.

This action is a direct result of efforts by Texas Farm Bureau leaders to obtain accurate classing of cotton by the government's Smith-Doxey classing service. A Congressional hearing - requested by Farm Bureau leaders - was held Sept. 18 in Greenville. One result of the hearing was a promise by members of the House Agriculture Committee that the Congress will act immediately after it convenes in January to get a "light spots" classification for cotton put in the government loan.

Shuman also revealed that the AFBF Cotton Committee would study the question of whether present cotton grades adequately reflect the value of machine-picked cotton - and also whether producer interests are adequately represented on the International Cotton Grades Committee.

The Farm Bureau group will also give specific study to the Commodity Credit Corporation export program, with a view of developing market policies that would permit private stocks to move directly into the export market. The present export program permits buyers to purchase surplus cotton for export at a price several cents a pound below the loan price for sale to domestic mills, providing that the buyer exports a like quantity and quality of surplus cotton within 12 months. The net result of this has been that most of this year's cotton crop has been forced into the government loan.

Bomba, Maurice Lutz, L. J. Brucks and R. J. Zerr attended the convention from Hondo.

Hondo FFA Places Order For Jackets

There will be some FFA Boys watching the mail in a couple of weeks. The arrival of the New FFA Jackets is expected soon.

Each year, members of the vocational agriculture class place orders for jackets early in the school year. In past years, jackets have been delayed from a week to 10 days in delivery due to the heavy orders placed at this time of year. The boys hope the Official FFA Jackets arrive before the District FFA Leadership Contest here in Hondo on Nov. 3.

Boys placing orders for jackets were as follows:

Clay Heyen, Larry Hermes, Jerry Neuman, Cliff Sadler, Bruce Saathoff, Melvin Etchison, Donald Muennick, Melvin Pack, John Wolff, George Brucks, Charles Eckhart, James Shoellman, J. H. Steigler, Jimmy Neuman, Richard Schweers, Alfred Ray Brieden and Clark Wurzbach.

REMEMBER WHEN

October 6, 1906

E. G. Garwood has moved into the Harper Fly residence and his former home will be occupied by Mr. Monkhause, late of Gonzales.

Dr. G. L. Hake, J. C. Totten and Steve Luckenbach left for Ft. Worth where they entered medical college, the first two to take a regular M. D. course while Mr. Luckenbach went to study pharmacy.

Dr. R. P. Thomas returned to Eagle Pass Monday after a week spent here in the practice of his profession.

A double wedding was celebrated at New Fountain Thursday. The happy couples were Peter A. Bless and Miss Emma Schweers and Emil Lehnberg and Miss Hulda Schweers.

August Kempf Sr. had a Japanese Persimmon tree with a large crop of fruit on one half of it. That half was protected from the cold by the house while the part which had no fruit was exposed to the north wind.

Capt. H. S. Kirby was showing some apples grown on some four or five year-old trees on his place in the north part of town. They had bourn for some two or three years and this year "are loaded with apples of good size and quality."

October 7, 1916

A regular term of County Court convened Monday with a rather heavy docket, consisting of eight criminal cases and nine civil. But the jury must have been very efficient, as it was discharged Tuesday morning. Henry Balzen, Nic Tschirhart, J. E. Burgin, Eric Rothe, Alfred Ahr, J. A. Watson, H. R. Bailey, L. W. Winston, G. W. Bailey, R. E. Bohmfalk, J. B. Secrest and Herman Poerner constituted the jury.

A surprise party was tendered Mr. and Mrs. J. H. Meyers at their new home Saturday night. "A large crowd was present" and the guest list reads like a roll-call of the Quiri - New Fountain communities.

Hondo Parent - Teacher Association announces its program for 1916-1917. Officers of the Association were: Mrs. H. J. Meyer, President; Mrs. R. P. Thomas, 1st V. P.; Mrs. W. A. Schmitt, 2nd V. P.; Mrs. C. W. Gilliam, 3rd V. P.; Mrs. O. W. Peters, Secty., and Mrs. D. W. Short, Treasurer.

To Rev. J. W. Long belongs the distinction of taking out the first poll tax receipt in this precinct while Joe Weynand was the one

Ruben Albert Remmler, Oct. 4, 7 lbs. 5 oz.

to claim that distinction for the D'Hanis precinct. "Receipts are not going fast" follows as a comment.

Louis Leinweber reports having harvested 60½ bushels of wheat from three acres of land and selling the product for \$1.35 per bushel. Fifty-five acres of cotton brought him only two bales. "He says no more cotton for him."

October 9, 1924

Prof. W. N. Saathoff had a Ponderosa lemon tree in his yard that had "six dozen lemons on it ranging from ripe lemons down to just shedding the bloom stage." The tree grew on the south side of the house and had no other protection against the changing seasons.

Cotton shipments up to Thursday night of the week were 2809 bales. Up to a like date the previous year they were only 513 bales.

E. L. Brod, candidate for Sheriff, was in town.

Mr. and Mrs. Stanton McGary and baby were called from Hondo Monday on account of the serious illness of the gentleman's mother, Mrs. Upton McGary.

Bernice Bradley had recently returned from the Rio Grande Valley and was "smiling a greeting to his Hondo friends from behind the counters at Windrow's Drug store."

Hondo Gin & Milling Co. and Mrs. J. W. Holloway announce they "will only gin three days next week."

The death of Mrs. Jacob Bury at Castrovilla is reported. She was a native of that town, having been born there on December 2, 1857. She was the mother of one daughter and five sons.

Fire from an unknown cause destroyed the barn of V. A. Crow Tuesday night. Loss was estimated at \$300.

October 9, 1936

A special Field Representative for the American Red Cross, was in Hondo reorganizing the local County chapter on a permanent basis. Following were the officers: Lawrence Brucks, chairman; R. J. Rely, vice chairman; F. H. Hollmig, secretary, and Charles Finger, treasurer.

An outstanding social event of the season was a tea given by the Women's Missionary Society complementing the Faculty of the High School. The affair took place in the home of Mr. and Mrs. H. E. Merriman, with Mrs. Shan M. Hull and Mrs. Barnitz Carle assisting Mrs. Merriman.

Corn shipments billed out of Hondo since last report, were 22 cars. Other shipments for the week were 30,000 pounds of mohair, one car of hegar and one of cotton seed. Thirty-five bales of cotton also went out during the week bringing a total for the season up to that date to 310 bales.

Hon. Joe Monkhause, representative-elect, passed through Hondo enroute to Austin "for a look-in on the doings of that body of which he will be a member after January 1st."

October 4, 1946

In announcing that next week would be "Fire Prevention Week," Fire Chief L. A. Mehlner, who had been with the Department since its organization 38 years previous, took occasion to advise that Carelessness is the largest single cause of fires. He further observed that "99 per cent of all home fires are preventable." During his 38 years with the Department there had never been a fire during "fire prevention week."

"HOPE SPRINGS ETERNAL IN THE HUMAN BREAST"

There is now reason to hope that there will be a cure for every disease. Drug manufacturers, who produce the basic medicines in your prescriptions, are allocating as much as 10 per cent of their income for research.

It is important that you purchase all your medicines in a pharmacy to encourage this effort. Part of the price of every prescription we dispense becomes your contribution to your future better health.

Free Entertainment At The State Fair

Top entertainment personalities who will appear in free shows at the 1956 State Fair of Texas, Oct. 12-18, include: top, left to right, Louis "Satchmo" Armstrong, international jazz great, who will appear with his band in four shows Oct. 15 on the Magnolia Midway Stage; Jack Benny's Sportsmen Quartet, headliners in the big East Texas Day show at 8 p.m. in the Cotton Bowl Oct. 14; and Maria Lopez, one of the glamorous stars of the "Fiesta Mexicana" show which will be presented in the Cotton Bowl Oct. 8. Below, left to right: Johnny Long, who will lead his famous orchestra in daily shows in the Chrysler exhibit in the Automobile Building; Mark Wilson, the magician with the \$50,000 hands, appearing daily at the Dr. Pepper Theater; and Hank Thompson, who will perform daily on the Magnolia Stage with his Brazos Valley Boys.

Highway Patrol Gives School Bus Figures

Overtaking and Passing School Bus, Article 6701 D, Section 104 (a). "The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

This law must be strictly adhered to according to Capt. N. R. Smith, commander of the San Antonio District of the Texas Highway Patrol. Capt. Smith pointed out that the school buses were easily recognized due to the state requirements on identification of School buses. The law requires that these buses must be painted a specified shade of yellow and in addition thereto must also have the words, "School Bus", painted in black letters at least eight inches in height on the front and rear of the vehicle. As a further precaution when the bus is stopping or is stopped it will have amber flashing lights to the front and rear.

The captain went on to state that during our last school year, 1955, there were ten bus accidents in which 14 persons were injured in the San Antonio Patrol District. The causative factor in seven of these accidents was fail-

ure to stop for a bus that was receiving or discharging passengers. At this same time, statewide, there were 379 school bus accidents in which five persons were killed and 177 injured.

Capt. Smith concluded his remarks with the reminder that this is the time of year when all our highways will be handling school buses and to further emphasize this reminder he pointed out that approximately 7,500 school buses will transport 380,000 passengers 425,000 miles per day, carrying a most priceless cargo, our children.

LACOSTE NEWS

By Mrs. R. R. Koch

M&M Charles Whettstone of San Antonio, and Mrs. Theresa Fitzpatrick and children, Tommy and Jacque, of Hondo, visited here last Thursday with M&M H. N. Jungman, daughter, Karen, and son, Hal.

Paul Bippet of the Sauz, was a visitor in town Saturday.

Sunday dinner guests of M&M Wilfred Hutzler Sr. were M&M B. J. Whelies and daughters, Carol Ann and Linda Lou, of San Antonio, M&M Robert Hutzler and son, Douglas, and M&M Leo Bendele and children, Jo Ann and James, of here.

Visitors of M&M Alvis Lagleder and son, George, Sunday, were M&M Ed Lagleder and daughter, Ann, of San Antonio, M&M Francis Lessing and family of Macdonia and M&M Louis Lagleder and family, of here. Miss Ann Lagleder recently returned from Dhahran, Arabia, where she has been employed for some time.

Stephen and Gary Mangold spent several days in San Antonio last week with their grandparents, M&M C. J. Tompkins. Sunday, M&M R. H. Mangold visited with them and the boys accompanied their parents home.

L. M. Pittman and son, L. M. Jr., of Dunlay, George Kunze of here, were business visitors in San Antonio Saturday.

Barbara Braden of Hondo, visited here Sunday afternoon with Miss Karen Jungman.

Mrs. J. B. Pate, of Lytle, visited in the Robert Grossenbacher home Monday afternoon.

M&M Robert Grossenbacher visited with M&M Walter Uhl, and M&M Charles Koch of Rt. 9, San Antonio, Thursday evening.

Mrs. H. H. Mangold and Mrs. R. H. Mangold were in Hondo on business last Friday. They also visited Mrs. C. J. Hitzfelder while there.

Mrs. Quintin Ahr and daughter, Colleen, visited Mrs. Marlin Naegelin and children of near Quihi last Tuesday.

Mrs. Andrew Kempf of Castroville, was a visitor here last Wednesday.

Agent's Column

Publication Ready For County Farmers

By C. B. Gaston

A new publication, L-304 "Combine Shullu" has been received in the county Agent's office. This is a new variety of Shullu whose heads are similar to the "Egyptian Wheat" that was grown in the southern states for a number of years. The combine variety is typically dwarf and matures early. The seed is hard and pearly white and is produced on very open heads that discourage birds and head worms.

Combine Shullu grain is valuable as a substitute for corn and other cereals for flour and meal for human food. It is also used as a popping sorghum and the grains expand 15 to 1 and has less hull than popcorn. Combine Shullu was one of the grain sorghums in the demonstration plot at Castroville this year and the report received from the Extension Agronomist is that the yield was 3,721 pounds per acre.

Seed was released to seed growers in the spring of 1956 and certified seed should be available for general planting in 1957.

The Conservation Reserve phase of the Soil Bank Program will soon be under way in this state. The following conservation practices are eligible for cost-sharing payments in this land in the oil bank:

- (1) Establishing a permanent vegetative cover crop for soil protection,
- (2) Treating farmland to permit the use of legumes and grasses for soil improvement,
- (3) Establishing trees or shrubs,
- (4) Building dams, pits, or ponds in order to protect cover crops or to hold irrigation water,
- (5) Protecting wildlife through cover, water, and marsh management, or dam and pond construction.

The local ASC office will soon make further announcements concerning this program.

Don't fret when the leaves begin to fall. If properly handled, they can be a boost to next year's flower or vegetable garden says M. K. Thornton, Extension Agricultural Chemist. It may be easier to burn them but the extra time required to put them in a compost pile will return dividends. The compost can be used next year to increase the organic matter in the soil or for mulching flowers, shrubs or vegetables.

Making a compost pile is a simple operation. Scrap lumber or a few feet of net wire and four posts will take care of the enclosure, says Thornton. Start with a six inch layer of leaves and

for a four foot square enclosure dissolve a cup of commercial fertilizer, 5-10-5, in water and sprinkle the solution over the leaves. Keep adding layers of leaves and use the fertilizer. If the leaves stay too dry, sprinkle them occasionally to aid the decomposition.

Koch-Davis Nuptials Read In San Antonio Church

Miss Mary Ann Koch, daughter of Dr. and Mrs. A. A. Koch, became the bride of Francis Marion Davis Jr., son of Mr. and Mrs. F. M. Davis Sr., in a nuptial mass solemnized Saturday in St. Peter, Prince of Apostles Church, San Antonio, by the Rev. Patrick Palmer. The groom is the grandson of Fletcher Davis, Hondo.

The wedding music was presented by Mrs. Francis C. Sullivan, organist, and Tex Regnier and Mrs. Maria Santos, members of the St. Peter Prince of Apostles Church choir.

Mrs. Robert G. Taylor was matron of honor, and Rothe Davis of Colorado Springs, Colo., was his brother's best man. Franklyn Bless, Joe Roth of Hondo and Robert Koch, brother of the bride, were ushers.

The bride was gowned in Chantilly lace over ice blue tulle and slipper satin. The fitted bodice had a wide neckline and short sleeves edged with a fold of satin. The skirt billowed to a short train. She wore matching lace mitts and a lace cap held her veil. She carried a white orchid with Stephanotis on a white prayerbook.

A reception followed in St. Peter's rectory. Among those assisting were Mesdames J. J. Koch of D'Hanis, R. L. Rothe of Corrigan, Homer A. Rothe of Del Rio, Joe H. Rothe of Weslaco, Jack Pirkle of Belton, A. G. Bless

and Jack Garrison of Hondo, Misses Anne Davis of Hondo, Lucy Davis of Sinton, and Mary O. Davis.

Grollimunds Give Party For Daughter

Mr. and Mrs. Robert Grollimund honored their daughter, Peggy, with a party and dance Saturday night, the occasion being her sixteenth birthday.

After admiring birthday gifts, the guests went on a scavenger hunt which was followed by dancing on the patio.

Those helping Peggy celebrate were Carol Rath, Mary Pope, Laura Meyer, Linda Tondre, Myrna Britsch, Annie Rowlette, Rita Hoffman, Ruthie Crow, Suzanne Rath, Charles Eckhart, Tommy Zuberbuehler, Richard Corder, Johnny Korbell, Sidney Mercer, John Sheppard, Butch Smith, John Henry Meyer, Jimmy Applewhite, William Reus and Charles Zuberbuehler.

Sandwiches, salted nuts, cake and punch were served.

Lynette Long Honored At Local Party

A farewell party was given in honor of Lynette Long at the home of Shirley Lindeburg.

Lynette has moved to Houston, and will be missed by her many friends in Hondo.

After several games were played, refreshments consisting of cookies, punch and mints were served.

Those present besides Miss Long, were Peggy Cagle, Marianne and Janice Muennink, Emaleen Saathoff, Barbara Jo Fessler, Evelyn Wiemers, and the hostess, Shirley Lindeburg.

STINSONS ANNOUNCE SON'S ARRIVAL

Mr. and Mrs. R. Q. Stinson, Castroville, have announced the arrival of a son, Sunday, Oct. 7, weighing 9 lbs. 2 3/4 oz.

The new arrival is welcomed by two older brothers, Ronald and Anthony.

Mr. and Mrs. Felix Stinson and Mrs. Steve Talanco are the grandparents of the baby.

The American Income Life Insurance Co. of Indiana is now making available to residents of Texas its famous low cost hospital and medical protection plans. Licensed representatives of the Company will be in Medina County this week to explain the plan to folks who are interested.

Iota Upsilon Holds Party, Meeting

Recent activities for Iota Upsilon Chapter ESA have included a bunco party, and educational meeting. The same group will also serve as hostess chapter for the district meeting of Epsilon Sigma Alpha Sunday Oct. 14 at the TAI picnic grounds. A barbecue luncheon will be served at 11 a.m. followed by a business meeting.

Fourteen members and guests gathered at 10 a.m. Thursday, Sept. 27, for a bunco party. Winners were high, Mrs. Julian Carr; low, Mrs. Jim Eubanks; and Bunco, Mrs. Jack Been. A luncheon was served, buffet style, following the games.

The regular monthly educational meeting was held Thursday, Oct. 4, at the home of Mrs. Ernest Dodds with Mrs. Jack Been as co-hostess. Following a business session conducted by Mrs. Jim Eubanks, president, Mrs. Fred Atkinson introduced Miss Anne Davis, guest speaker for the evening. Miss Davis gave an interesting and informative talk on the responsibilities and privileges of the American voter. The group later enjoyed an informal social hour.

Marvin Tschirhart Honored At Party

Mr. and Mrs. Dennis Tschirhart entertained Marvin Tschirhart Sunday with a barbecue dinner, as Marvin is to leave for the Service in the near future.

Those participating in the occasion were Mr. and Mrs. Ferdinand Tschirhart, Mr. and Mrs. Henry Ahl, Mr. and Mrs. Joseph Lindsey and sons, Mr. and Mrs. Gilbert Friesenbahn and family, M-Sgt. and Mrs. Alfred Ahl and daughter and Marvin Tschirhart, honoree.

MR. AND MRS. JOHN G. Bohlen have announced the engagement and approaching marriage of their daughter, Mary Ann, to Harold Hartmann, son of Mr. and Mrs. Fritz Hartmann. The wedding will be held Nov. 10.

Mrs. Riff Will Head HD Club

Mrs. Harriet Riff was elected president of the Hondo Home Demonstration Club on Wednesday, Oct. 2.

Other officers elected were Mrs. Wayne Graff, vice-president; Mrs. Mimmi Beard, secretary; Mrs. Jesse Stephens, treasurer; and Mrs. Frances Bader, council delegate.

The meeting, which was held in the home of Mrs. Dorothy Holloway, was opened with the Club prayer, after which each member told what she did with the clothing her family no longer used.

Mrs. Harriet Riff gave a talk on the Rights and Privileges of the American voter and on the Duty of each one to serve when summoned for jury duty. The Club plans to sponsor a drive to urge everyone to vote in the coming national election.

The Clothing Traders gave reports on the Clothing School which they had attended. Each member then showed a garment which she was planning to alter or remake.

The meeting was closed with the playing of a song game.

The hostess served coffee and cookies to 12 members and one visitor, Mrs. Texas Woolis.

Former County Residents Celebrate Wedding Date

By Mrs. Jack Sharp

Emil Lehmborg and Hulda Schweers met in the home of M&M J. W. Kathmann in San Antonio in 1904, while Miss Schweers was visiting her sister. After two years of courtship, wedding plans were made by Miss Schweers and Mr. Lehmborg.

At the same time Miss Emmie Schweers and Pete Bless planned their wedding. It was decided that there would be a double wedding ceremony on Oct. 4, 1906.

The sisters made a trip to San Antonio in a buggy to buy the material for wedding gowns. Mrs. Lehmborg doesn't remember the price of the material but she does remember that she paid the dressmaker 75 cents to make the made wuit which cost him \$16. dress.

Mr. Lehmborg wore a tailor-made suit which cost him 16. The groom's mother, his brother, Rubin, and his sisters, Erna and Emma, came from Castle, Texas, in a wagon to attend the wedding. The trip took three days. At the end of the trip, they met the bride for their first time.

On Oct. 4, 1906 Emil Lehmborg and Hulda Schweers and Pete Bless and Emmie Schweers were married in a double ceremony at the New Fountain Methodist Church at 11 a.m. by Rev. Henry Jordan.

M&M Lehmborg's attendants were Mrs. Ida Stiegler and Rubin Lehmborg. As was the custom then, the celebration lasted all day. M&M Lehmborg have spent some time on a ranch in Medina County but the greater part of their married life has been spent in San Antonio, where they now reside. Their married life has been blessed with four children, Lee Roy, Olivia (now deceased), Clinton, and Mildred; six grandchildren and one great-grandchild.

M&M Lehmborg celebrated their Golden Wedding Anniversary at the Palm Heights Methodist Church in San Antonio Oct. 6, 1956. Their wedding attendants, Mrs. Ida Stiegler and Rubin Lehmborg were present.

As they entered the church, Kathleen Wiemers, daughter of M&M Ben Wiemers, played the Jewel March on the piano. The ceremony was conducted by Brother Reeves, the pastor of the church.

After the ceremony, Ervin Bohmfalk, Benjamin Wiemers, Henry Lindeburg and Andrew Muennink sang "Silver Threads

Among the Gold," and were accompanied on the piano by Kathleen Wiemers.

A barbecue supper was served to all the guests. After supper there was group singing in both English and German. Among them were "When the Roll is Called up Yonder," "Showers of Blessing," and "O, Seele Ich Bitte Dich Kome."

The Lehmborgs were the recipients of many beautiful and useful gifts besides the many beautiful oral expressions for continued happiness and blessings.

Among those from Quilhi who attended the celebration were M&M Benjamin Wiemers and Kathleen, M&M Andrew Muennink and Janice, M&M Louise Nietenhoefer, John G. Brucks, M&M Robert Riff, M&M Johnny Schweers, M&M Walter L. Saathoff, Misses Ida and Emilie Wiemers, M&M Ervin Bohmfalk and M&M Henry Lindeburg.

Miss Radliff Honored At Shower-Tea

Miss Maydelle Radliff of Boerne, bride-elect of Jack Louis Vogel of San Antonio, was honored with a Shower-tea Sept. 29, in the home of Mr. and Mrs. Edgar Stiegler, Hondo.

The centerpiece for the dining table was of red floribunda roses and white queens crown up a Crystal bowl. White candles burned in crystal holders, on a crocheted table cloth.

Fruit punch, white cake and mints were served by Mrs. Henry Vogel and Mrs. Harold Stiegler.

Roses and queens crown were used in the living and guest rooms.

In the receiving line were the bride-elect, Miss Radliff, in brown, with a bronze mum corsage; the bride's mother, in navy with a lavender mum corsage; the groom's mother, Mrs. H. Vogel, in teal blue with a bronze mum corsage; and Mrs. Edgar Stiegler, who wore black with a white mum corsage.

Miss Patricia Brieden presided over the guest book.

Hostesses were Mesdames Edgar Stiegler, Harold Stiegler, Ernie Vogel, Anthony Wetski, Richard Brieden, August Henry Nehr.

Devine Hands Del Rio 18-7 Whipping Friday

The Devine Warhorses traveled to Del Rio last Friday night, and returned 18-7 victors.

The Warhorses' first touchdown came when Shaw faked a hand-off and wheeled around left end from Del Rio's eight yard line. Try for extra point was lost as Devine tried to run it over.

Buddy Elledge received the kickoff on his own two and got to the Del Rio 23 before being hauled in. A sustained drive, sparked by dashing efforts of both Elledge and Kimball Mitchell found the ball on the Devine 29, where Elledge circled right end to score. Mitchell added the point after to give Del Rio its only lead of the game, 7-6.

Devine again crossed the doubled stripe in the third quarter as J. E. Dubose blasted over from the one yard line after the Warhorses recovered a Wildcat fumble on the Del Rio 22 yard line. Again, Devine tried to run the extra point, only to be stopped.

In the final quarter, Devine again made their own break by blocking a Del Rio punt. Bob Brown broke through the Wildcat line to break up Mitchell's punt and recover for Devine on the Del Rio 15 yard line. A Shaw to Bradford pass gave the Warhorses their third and final touchdown. The try for extra point again failed and Devine led 18-7.

With only three minutes left in the game, Del Rio took to the air and completed two passes for a total of 45 yards. However, Devine took possession of the ball when the Wildcats failed to make a first down with only 46 seconds remaining in the game.

Del Rio racked up 14 first downs to 13 for Devine and completed 3 of 11 passes for 52

yards while Devine completed 8 of 17 passes for 115 yards. Del Rio also led in yards rushing with 265 compared to 122 for Devine. Devine lost two fumbles and Del Rio three.

Devine Warhorses tangle with the Hondo Owls tonight in Devine. They have a 2-2 record while Hondo has 5-0 for the season.

Heart Attack Fatal To Car Driver

August S. Whitley, 50, Medina Lake fishing camp and cafe operator, died of a heart attack, which caused him to drive his car off the road at a high speed, Bandera County officials said Sunday after a thorough investigation.

This was reported Sunday by Deputy Sheriff Edward Johnson, who said Justice of the Peace Treggo of Bandera rendered a coroner's verdict of death from a heart attack. Also called into the probe were sheriff Johnny Faris, deputy sheriff Floyd Wyatt and the State Highway Patrol.

Whitley's body was found Friday in his car in a deep ravine off Park Road 37, 10 miles east of Medina Lake in Bandera County. He had been missing since Tuesday.

Johnson said evidence indicated that Whitley's foot must have pressed down on the accelerator as he suffered the heart attack and lost control of the steering gear.

Survivors include a daughter, Mrs. Floyd Schneider, and a son, Richard Whitley, both of San Antonio. He is also survived by four sisters, three brothers and three grandchildren.

Services were held at 10 a.m. Monday at the Plummer Funeral Home in Bandera.

Iota Upsilon Opens Rush With Coffee

Iota Upsilon opened their fall rush season with a coffee Oct. 8 at the home of Mrs. Leo Kilmer, Rush Captain.

Mrs. W. E. Robinson, Junior past president introduced the local officers and Mrs. Ernest Dadds, senior past president explained the purpose, ideals and program of ESA. Mrs. Jim Eubanks, president extended a cordial invitation to all guests present to affiliate with the local chapter.

Special guests included Mrs. Ted Dye, Mrs. William Malone, Mrs. G. O. Downey, Mrs. Walter Gunstream, Mrs. Virgil Meyers, Mrs. Ed Tondre, Mrs. Kelly Hays, Mrs. A. D. Patterson, Mrs. Robert James and Mrs. Clifford Haynes.

Members present in addition to those participating in the program were Mrs. Kenneth Farnsworth, Mrs. Gene Robinson, Mrs. Leon Folse, Mrs. Joe Mimms, Mrs. Fred Atkinson and Mrs. Don Egan.

Ladies Aid Lays Plans For Bazaar

The Ladies Aid and Women's Missionary Society of St. Paul's Lutheran Church held their monthly meeting Oct. 3.

The Devotional was led by Mrs. Ernest Britsch. The Rev. K. Winder presented the Bible Study and Mrs. K. Winder had a charge of the Topic Discussion and Magazine quiz.

In the business meeting, final plans were made for the bazaar and lunch which will be held in the annex of the church on Nov. 3, beginning at 2 p.m. and ending at 7 p.m.

Following the meeting Mrs. Robert Graff, Mrs. Louis Grell and Mrs. Harry Haltman served refreshments.

Benjamin Calks Announce Arrival

Mr. and Mrs. Benjamin Calk have announced the arrival of a son, Ethan Howard, Sept. 30. The baby weighed 8 lbs. 4 1/2 oz. at birth.

Grandparents are Mr. and Mrs. Otto Wiemers and the late Mr. and Mrs. Henry T. Calk of Del Rio.

D'HANIS NEWS

By Mrs. Amos Finger

M&M Bobby Cox have announced the birth of a daughter at Medina Hospital Oct. 1. On Sunday, the infant was baptized in Holy Cross Church with Rev. O. B. Kahlich officiating, and Pat McGraw and Mrs. Menno Hamm as sponsors. The baby was named Emily Louise. She has a one-year-old brother, Bobby Jr.

Mrs. J. F. Kimmerly, Mrs. Regina Mueller and Mrs. J. M. Zinsmeyer visited Mrs. John Ginzdorff in San Antonio Sunday.

Alvin Wolff, who operated a cafe until recently, has had to give up his business due to bad health. M&M Dan C. Smith and son of Sabinal, are moving in as proprietors and will soon reopen the cafe for business.

David Zinsmeyer and Henry Martin Finger of Hondo, spent the weekend with Herb Zinsmeyer in Austin.

M&M Fred Huser and M&M Otis Burrell, Charles and Spencer, spent Sunday at Beeville, where they attended the golden wedding celebration of Mr. Huser's brother, and wife, M&M Frank Huser.

Mrs. Katie Fillingner of San Antonio, spent a week with M&M Joe Fillingner and son, Tommy. She also visited with her old friends and had some interesting stories about her recent trip to Germany.

Guests of M&M Frank Jackson over the weekend were M&M King Wais and son, Michael, from Pleasanton.

J. B. Langfield of San Antonio, spent the weekend with his aunt, Mrs. Lena Langfield, and family.

Mrs. William Knippa and son, William, of Knippa, stopped by M&M John Rieber's and together, they attended the golden wedding of M&M Stanley J. Slomchinski at St. Patrick's Catholic Church in San Antonio. Reception was held in the home of M&M Ernest Vogel.

Mrs. Price Arthur and daughter, Debbie, of Uvalde, and her mother, Mrs. Joe Brown, of San Antonio, spent Tuesday with M&M Carl Rudinger.

M&M R. R. Carle and Mrs. James Finger and daughters spent Sunday with M&M F. M. Carle and family in San Antonio. M&M Lester Zerr and family of San Antonio, visited with Mrs. Ursie Turner and Mrs. Theresa Zerr Sunday.

CLUB . . .

(Continued From Page One)

monies.

Floyd Slater, San Antonio, was elected permanent chairman of the group. Other officers include Beauford Hurt, treasurer, San Antonio; and Ed Ney, secretary, Hondo.

Following supper at a local cafe, the group held conversation on by-gone days and then departed for their homes.

The next meeting will be held in Hondo on the first Saturday in October, 1957.

TOO LATE TO CLASSIFY

Anyone interested in self improvement through the Dale Carnegie method of leadership training, call HA 6-3418. (3tc17)

WANTED: Good milk cow. R. G. Pope, Hondo. (1tc17)

NOTICE

Dr. Thomas B. Knopp will be out of his office until Thursday, October 25th. (1tc17)

Here in Hondo

M&M Robert Carle and daughters and M&M Gordon Harmon were guests of Mrs. Barnitz Carle Saturday and Sunday.

H. H. Tausch, fire chief at Hondo Air Base, returned Sunday from a three day antelope hunt at Marfa on the Kerr Mitchell Ranch. He said he shot an average sized buck but that the antelope got too wild after they started their shooting.

C. D. Donlavy will attend the University of Houston next week for a short course in building management. The school is held under the supervision of the Texas State Association of Building Owners and Management. He will leave Tuesday and return to Hondo on Saturday.

M&M Bill Berger, Eddie and Barbara, spent the weekend in Dallas attending the State Fair. Mrs. Joe Krenmueller accompanied them up on the trip but she flew back to San Antonio Saturday night and returned to Hondo Sunday morning.

Mrs. L. E. Heath returned home Saturday from New York. The plane ran into bad weather, lightning hit the aircraft and Mrs. Heath, who was traveling for the first time without travel insurance, said everybody on the plane was scared stiff. Senator John Kennedy of Massachusetts, who was almost the Democratic vice-presidential candidate, was a fellow passenger on the flight. Mrs. Heath's son-in-law and daughter, Gen. and Mrs. Clyde D. Eddleman, are now vacationing in Paris, France for several weeks.

Mrs. E. W. Brucks returned over the weekend from a three-week trip to New Jersey where she visited her son, daughter-in-law and new granddaughter, Dr. and Mrs. Bill Brucks and baby.

Castroville News

By Mrs. W. R. Griggs

Mrs. A. A. Murrell returned home after a six weeks vacation in the East. She enrolled her daughter, Helen, in the Mary Washington College at Friedrichsburg, Va.

M&M Henry Canty and son, Danny, of Laredo, and M&M Charles V. Green and children, were dinner guests of M&M W. R. Griggs Sunday.

M&M Al Nolan were called to the bedside of her father, who is ill in Alexandria, La.

M&M Jack Mathis and daughters drove to Gonzales Sunday to see their son, Burch.

M&M Louis Tschirhart of San Antonio, and M&M Henry Canty of Laredo, visited M&M Robert Tschirhart Saturday night.

Mrs. Henry Tschirhart and daughter, Sandra, Mrs. Pearl Gerloff and granddaughter, Linda, were in San Antonio Wednesday on business.

Remember the Mexican Super Sunday, Sept. 21. Proceeds will go to the Kindergarten for play equipment for the Kindergarten class. It will be held at the Legion Hall in Castroville.

M&M Rankin Robertson were visiting in Victoria Sunday.

WATER . . .

(Continued From Page One)

tions from taxes and bonded debt are provided for owners of grazing land.

Since much of the rainfall within the district is heavy thunder storms, hurricane rains and flash floods, the water passing down the many streams during such flood periods passes over the recharge area so rapidly that much of it bypasses the recharge area and is lost to beneficial use by the residents of the proposed district.

Estimates of average annual runoff now lost to the reservoir which might be captured and fed into the reservoir vary from an annual average of 200,000 acre feet a year to 500,000 acre feet a year.

Purpose of this proposed underground water district is to preserve and protect the rainfall runoff that occurs within the basin area against waste within or diversion away from recharge into the reservoir. It would also be to conserve the waters available by providing facilities that will enable additional recharge of the Edwards Reservoir from the normal and flood flows.

Final adjournment of the meeting was at 4:30 p.m. Monday.

Miss Geiger Honored At LaCoste

LaCoste — Tuesday evening, Oct. 2, Miss Lena Geiger entertained the LaCoste birthday Club with a party at the home of her sister, Mrs. George Kunze.

The evening was pleasantly spent and the ladies enjoyed a delicious supper, followed by various games with prizes awarded to winners.

The special prize was won by Mrs. George Zuercher, the booby by Mrs. Wilfred Ahr.

Those present included Mrs. Herbert A. d. a. m, Mrs. George Zuercher, Mrs. John L. Zuercher, Mrs. Rudolph Bippert, Mrs. Wilfred Ahr, Mrs. George Kunze, and the honoree, Miss Lena Geiger. She received many nice and useful gifts.

Yancey News

By Mrs. Harrison Wilson

M&M Alfred Wiemers and J. J. Jell, have returned from a 17 day vacation trip to visit M&M Dean Hawes and children in Graton, Conn. They visited the National's Capital, Mount Vernon, and saw the White House, in Washington.

From Connecticut, the Hawes family joined them and they all went through the state of Maine, on into Quebec, Canada. On the trip home, they toured the Shenandoah National Park, Blue Ridge Mountains and the Great Smoky National Park.

On this trip, the Wiemers traveled through 20 states. They report the country green and very pretty but very cold.

M&M J. N. Wilson and Mrs. Willard Wilson and Dennis went to Kerrville Sunday. M&M J. N. Wilson went on to Temple, returning Monday afternoon to pick up Evelyn and the baby. They then returned home.

M&M Fielding Wiemers and boys went to Kingsville Saturday to visit her brother and family. M&M Willis Boone and Susan. Mr. Boone is attending A&I College. The Wiemers also went by Benevise to see M&M Charles Kueck.

The Rev. Henry Meyer, a retired minister from Pasadena, Calif., is visiting M&M George Helligman.

Friday night, M&M George H. Guan went to San Antonio to attend the revival meeting at the Seventh Day Adventist Church. Glen and Ethel Kuhn of Atlanta, Ga., are holding the services.

Castroville Club Holds Meeting

The Castro Garden Club met Tuesday afternoon at Landmark Inn with 21 members answering the roll call. Mrs. E. J. Conrad, the Club president, reported on the Pioneer Council that she and five other members attended. The meeting next year will be in Pearsall.

Mrs. Conrad announced that the Cactus Corner will open Saturday, Oct. 13, for a "bake sale", from 8:30 a.m. to 11:30 a.m. and 3 to 5 p.m. Members received their year books.

There was some discussion regarding the beautifying of Houston Plaza, but no definite plans were made.

Following the business session, Mrs. Fred Childs showed two compositions or designs in which she used only dried flowers and seeds, and one in which she used drift-wood, flowers and

ORDINANCE NO. 61

AN ORDINANCE PROVIDING FOR NOTICE OF CLAIMS FOR DAMAGES FOR THE DEATH OR PERSONAL INJURIES OF ANY PERSON OR FOR DAMAGE TO OR DESTRUCTION OF PROPERTY, MAKING SUCH NOTICE CONDITION PRECEDENT TO THE RIGHT TO SUE THE CITY OF HONDO, TEXAS, AND PRESCRIBING THE AUTHORITY TO WAIVE NOTICE. BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HONDO, TEXAS:

Before the City of Hondo, Texas, shall be liable for damages for the death or personal injuries of any person or for damage to or destruction of property of any kind which does not constitute a taking or damaging of property under Article 1, Section 17, Constitution of Texas, the person injured, if living, or his representative, if dead, or the owner of the property damaged or destroyed, shall give the City Council or City Secretary notice in writing of such death, injury, damage or destruction, duly verified by affidavit, within forty-five days after same has been sustained, stating specifically in such written notice, when, where and how the death, injury, damage or destruction occurred, and the amount of damages sustained, the actual residence of the claimant by street and number at the date the claim is presented, the actual residence of such claimant for six months immediately preceding the occurrence of such death, injury, damage or destruction, and the names and addresses of all witnesses upon whom it is relied to establish the claim for damages; and the failure to so notify the City Council or City Secretary within the time and manner specified herein shall exonerate, excuse and exempt the City of Hondo, Texas, from any liability whatsoever. No act of any officer or employee of the City of Hondo shall waive compliance or estop the City from requiring compliance, with the provisions of this ordinance as to notice, but such provisions may be waived by resolution of the City Council, made and passed before the expiration of the said 45 day period herein provided and evidenced by Minutes of the City Council.

This ordinance shall become effective on the 1st day of October, 1956, and the City Secretary shall give notice of the passage by causing the ordinance to be published in the Hondo Anvil Herald, the official newspaper of the City of Hondo, Texas, within thirty days after the passage of this ordinance.

PASSED AND APPROVED this 27th day of September, 1956.

O. A. Fly Mayor

O. L. Moss City Secretary (2tp16)

BE IT KNOWN THAT I, ALAN SHIVERS, GOVERNOR OF THE STATE OF TEXAS, do hereby order a General Election to be held throughout the State of Texas on TUESDAY NEXT AFTER THE FIRST MONDAY IN NOVEMBER, A. D. 1956, same being the SIXTH DAY OF NOVEMBER, A. D. 1956; and notice thereof is hereby given to the people as required by Article 24, Chapter 4, of the Election Code of Texas (Article 4.01, Vernon's Annotated Revised Civil Statutes of the State of Texas); and the County Judge of each county is directed to cause said election to be held at each precinct in the county at such time and for the following purposes:

Said general election shall be held for the purpose of electing electors for President and Vice-President of the United States, State and District officers, Members of Congress, Members of the Legislature, and all such officers as are required by law to be elected in this general election; and

FOR THE FURTHER PURPOSE OF electing officers to fill the unexpired terms of offices, vacancies in which have heretofore been filled by appointment, as provided in Article 4, Section 12 of the Constitution of Texas; and

FOR THE FURTHER PURPOSE OF adopting or rejecting Constitutional Amendments submitted by the 54th Legislature of Texas at its Regular Session in 1955.

IN TESTIMONY WHEREOF, I have hereunto signed my name and caused the Seal of State to be affixed at my office in this City of Austin, Texas, this 19th day of September, A. D. 1956.

BY THE GOVERNOR: Allan Shivers Governor of Texas

Tom Reavley Secretary of State

The above Proclamation is hereby adopted for Medina County as provided by law. Arthur H. Rothe County Judge

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 9.249 miles of Grading & Structures from a point 10.6 mi. south of Bandera C. L., south to int. with US 90 & SH 173 on Highway No. FM 689, covered by S 2075 (2), in Medina County, will be received at the Highway Department, Austin, until 9:00 a.m., Oct. 17, 1956, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions here-in are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of C. E. Hackeheil, Resident Engineer Hondo, Texas, and Texas Highway Department, Austin. Usual rights reserved. (2tp16)

PROCLAMATION BY THE GOVERNOR OF THE No. 41-738

TO ALL TO WHOM THESE PRESENTS SHALL COME:

BE IT KNOWN THAT I, ALAN SHIVERS, GOVERNOR OF THE STATE OF TEXAS, do hereby order a SPECIAL ELECTION to be held throughout the State of Texas, on the SECOND TUESDAY IN NOVEMBER, A. D. 1956, same being the THIRTEENTH DAY OF NOVEMBER, A. D. 1956; and the County Judge of each County is directed to cause said election to be held at each precinct in the County as required by law, at such time.

FOR THE PURPOSE OF adopting or rejecting the Constitutional Amendments submitted by the 54th Legislature of Texas at the Regular Session in 1955, as set out in House Joint Resolution No. 30.

IN TESTIMONY WHEREOF, I have hereunto signed my name officially and caused the Seal of State to be affixed hereto at Austin, this 19th day of September, A. D. 1956.

Allan Shivers Governor of Texas

BY THE GOVERNOR: Tom Reavley Secretary of State

The above Proclamation is hereby adopted for Medina County, as provided by law. Arthur H. Rothe County Judge

CARD OF THANKS

We wish to thank our many friends and customers for your generous patronage while we were in the Florist business. We hope you will continue to be customers of our successor, Williams Floral Shop.

Heyen's Floral Shop (1tp17)

M&M Ed Parma and children A. E. Salzman, all of San An- tonio, attended the Centennial celebration in Jourdanton Satur- day.

Fletcher Davis

IS PRIVILEGED HERE TO RETELL
THE STORY OF A BRAVE
PIONEER

CAPTAIN H. J. RICHARZ

Another pioneer of West Texas who deserves a place in the history of Texas and in the hearts and memories of its people. He was a gallant soldier, and with other men of the frontier settle- ments, led the famous Texas Rangers against the Indians, and protected the homes from attack of the savages.

Mr. Richarz was born near Cologne, on the Rhine, Germany, in 1822. His father was a promi- nent citizen, and was burgomaster and head of the town of Ella and later he was the head of the Castle House, the residence of Louise the Princess of Prussia. He was a knight of the order of the crown of Prussia.

Captain Richarz had many ad- vantages because of his father's political connection. He received a liberal education in the town school, and later attended a private academy in Dusseldorf. At 16, he joined the rifle legion in which his father had served against Napoleon. He retired from the army after three years, and accepted a position as "Com- missar" of the chief engineer of the Prince Wilhelm R. Co. in Prussia.

In 1848 he took an active part against the abolition and feudal system. He was made a captain of the militia and an elector, for the representative of the Frank- furt parliament and the House of Representatives of Berlin. In the conflict, Capt. Richarz's party lost, and the monarchial side was victorious, and Richarz chose to go into exile, rather than being made a prisoner of war. He sold his material belongings and went to Rotterdam. He turned his back on the old country. He chose to seek a more desirable abode. He left Havre, France, and sailed for New Orleans. He came there in the fall of 1849. The voyage was perilous and disastrous along the coast of Africa, and was finally shipwrecked near St. Thomas, of the West Indies and forced to stay there two months before going to New Orleans. From there he, his wife and two children, went to Indianola, Texas, and from there they came to San Antonio where he bought 500 acres of land op- posite the Mission Espada, about 9 miles below the city. He had brought some Saxon Merino sheep with him and started sheep raising. He was the first man to start sheep raising in Texas, which today is one of the largest industries in the nation. Mr. Herndon of Velasco was a partner on the enterprise.

In 1853 he moved his sheep and cattle to Fort Lincoln about 2 miles north of D'Hanis, Medina County. Texas had built this fort when Santa Anna gave con- sent to making Texas a Republic. This fort was abandoned when Scott and Taylor subdued Mex- ico. He made another land pur- chase of 500 acres, and estab- lished the first Post Office west of Castroville, at D'Hanis (Old D'Hanis) and was Post Master till the beginning of the Civil War. He served one year as Justice of the Peace when he was made chief justice of Medina County. Up to the beginning of the war he was the leader of the citizen scouts for the protection from the bloody inroads of the Indians who had never quit their attack upon the settlers. In 1861 the Captain's kin was killed by the Indians. In 1861 the Governor of Texas appointed him as command- er of the mounted home guard of Medina County. They guard- ed the frontier from El Paso to Brownwood against the treache- rous Indians. The guard did much in checking the inroads of the savages and recovering a lot of material stolen and horses taken. This state of warfare with the Indians lasted till 1870. The sol- diers along the Rio Grande (most- ly Mexican negro slaves) could not cope with the situation. The negro soldiers had extreme fear for the Indians, and would often watch the savages destroy prop- erty and take the horses.

In 1870, the frontier force of Rangers was organized by the Federal Government and Mr. Richarz was made captain of Company E, stationed at Fort Lingo on the Leona River several miles below Uvalde. Gen. Rey- nolds of the US Army had com- mand of the Seminole Indian warriors. They were station- ed on the Rio Grande. Richarz protested against the mea- sure and said the Indians were not reliable, hence the plan was abandoned.

The Captain had his men well organized to cope with the situa- tion. Their watch was continuous and vigil along the imperiled frontier and had regular com- munication centers from Laredo to the Llano River. Later he was given command of two more com- panies of rangers.

The last battle the Captain's men had with the Indians (the Kiowas and Comanches) was near Carrizo Springs. There were seventeen scouts against seventy Indians. Eight Indians (including the chief) were killed. The chief had four scalps of women dang- ling from his belt, a ranger named Belleger (thought to be Biedeger) from Castroville was killed and Dr. Woodbridge was knocked off his horse and several injured. The rangers ran out of ammunition and could not follow the retreating Indians. The In- dians made many and frequent raids, and the Captain's pres- ence was needed in many places. At this time the Captain's son and Joe Riff, whose only son, Joe Jr., lived in Bader Settlement, to a ripe old age and died only a few years ago, were killed by the Indians on the Blanco. When found where the Indians left them the signs of the battle showed with what valor these young men fought. This ended the Captain's frontier experiences. Later he be- came a Justice of the Peace, and later served one term in the Tex- as Legislature.

This ended the career of a great man. May your esteem for this and other pioneer Texans be rekindled. May you treasure their history and tell it to generations to come. Their deeds of valor should be immortalized and re- vered by posterity.

Texas Top Hands

From where I sit ... by Joe Marsh

Happy Swap

More and more farmers—who badly need hired help sometimes, but can't afford a full-time hand—are making deals with young town workers and the employers they work for.

For instance, young Hap Hooper now lives rent-free on Easy Roberts' farm. In return he works about 100 days a year for Easy—for a farmhand's pay.

The rest of the year Hap works for his "regular" boss... Buzz Ellis, the electrician. Buzz just speeds up his business when Hap's on hand—slows it down

when he isn't—and, like Easy, pockets healthy savings in wages.

From where I sit, it's great how people with different backgrounds—and different viewpoints—can co-operate. How about more of us trying that? I live in a town—maybe you're a farmer. I'm partial to a good glass of beer—you may prefer coffee or milk. But we can make things pleasanter by ignoring differences and giving each other a "hand."

Golden Esso Extra

GASOLINE

has the **HIGHEST OCTANE RATING**
in Texas...highest by far!

Humble research provides the first gaso- line specially made for cars with very high compression engines and cars that tend to ping or knock on "premium" gasoline.

This gasoline, Golden Esso Extra, has the highest octane rating in town—highest by far.

But octane rating is only one perform- ance quality. In Golden Esso Extra this improvement paces other quality improve- ments that will assure you:

Quickest starting and warm-up; maxi- mum power; fastest acceleration; increased

protection against vapor-lock; minimum engine deposits; and best gasoline mileage.

Golden Esso Extra is the world's finest automotive gasoline. Its performance rates it "premium over premium." If your car has a very high compression engine, if it tends to knock or ping on "premium" gaso- line, use Golden Esso Extra.

You will save the extra cost through performance, operating economy, and added gasoline mileage. Dispensed from the golden pump under the Humble sign.

Pay only for the gasoline quality
your car requires

**PREMIUM
OVER
PREMIUM**

Golden Esso Extra is first of three great Humble gasolines. It costs more to make, and those whose cars require its quality will profit by paying more for it. Others will not.

PREMIUM

Famous Esso Extra Gasoline is No. 1 in Texas, first in sales among "premium" gasolines because it's first in quality. Esso Extra gives peak performance to most cars with high compression engines. This famous gasoline will continue to be the quality leader in its field.

REGULAR

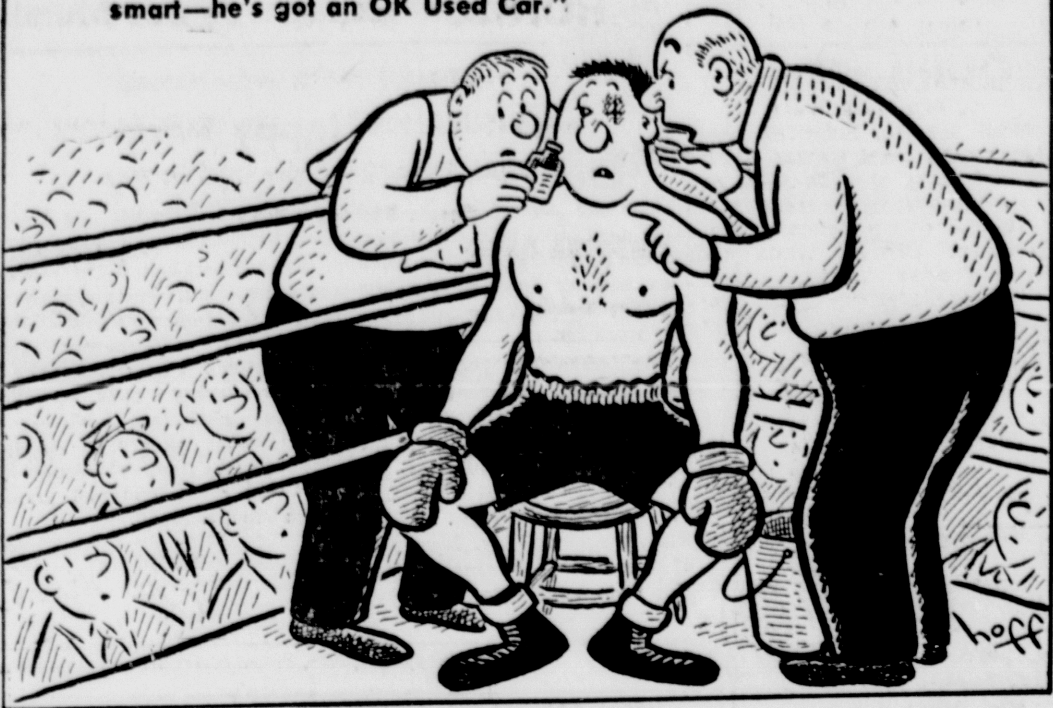

Humble Motor Fuel is for cars that perform well on regular gasoline. It sets the pace for performance and mileage among the "regulars." It is the only regular gasoline in Texas that contains a patented solvent oil to keep engines clean.

Hondo Turns Back Floresville 41-6

Hondo's powerful Owls made it 17 straight last Friday night, as they took their fifth win this season by defeating a Floresville eleven 41-6 on Barry Field.

Undeclared and untied during this year's activities, the Owls are sure to make a stand for the Class A championship title. They are rated as one of the top 4 Class A teams in the state.

Floresville started the game by kicking off to Hondo. Butch Woolls, 170 pound halfback, scooped up the kick and returned it to the 45 yard line before being hauled in by a slue of Floresville tacklers. It was Woolls again on the first down, picking up four yards followed by an incomplete Alvin Hartman to Ray Highsmith pass. But, on the pass play, Floresville received a 15 yard penalty for having too many men on the field and it was first and ten for the Owls on the Floresville 44.

Two downs later, Hondo was penalized 15 yards for clipping, setting them back to their own 35 yard line.

The first pass completion of the game came when E. Butler, Tiger backfield star of the game, threw a completion for 10 yards and a first down on their own 35 yard line. Another 15 yard penalty on second down sent the Tigers back to their own 15 yard line for intentionally grounding the ball.

After a series of downs, the Tigers punted over the goal for an automatic touch back and the Owls took over on their own 20 yard line. Then, runs by Highsmith and Woolls gave the Owls a first down on the 42 yard line, only to be lost after the next four downs. Hondo punted to the Tiger 27, where a second down pass play from the arm of Butler was intercepted by Billy Neuman on the Owl 44 yard line.

After setting up a first down, Woolls fumbled on the opening play of the second quarter. The Tigers took over, only to have another of Butler's passes intercepted by Hondo's Billy Potsavich. A series of downs and two incomplete passes found the Tigers taking over on their own 20, after a touchback. After running the ball to their own 32 yard line on one play from scrimmage, Char-

les Tilley pounced on a Tiger fumble on the 29 yard line and the Owls were ready to produce a touchdown.

First, Woolls carried to the 24, Johnny Windrow to the 23, Highsmith to the 14 for a first down, and then to the 15, losing one yard. Woolls then carried to the 13 and on third down, went around right end for the touchdown. There was 5:50 left in the quarter.

Hondo kept the game to themselves after this, scoring again in the second period after Woolls intercepted another Tiger aerial on the Tiger 45. After aerial up two more first downs, the Owls found themselves on the Floresville 20 yard line with first and ten to go. A first down pass play from the arm of Hartman to the waiting arms of Neuman found the score 14-0 at half time.

The Floresville eleven bounced back early in the third quarter, scoring their only touchdown of the evening with 10:50 left in that period. It was Butler again, on a 90 yard touchdown run around left end.

Here, Hondo took over and Floresville never crossed the double strip again. With 1:28 left in the third quarter, Hondo's passing game again paid off — a Hartman to Woolls completion for nine yards and the third touchdown of the evening. Windrow again kicked the extra point, his eighth straight.

One minute and 27 seconds later, Hartman, on a 50 yard option play around right end, brought the score to 27-6, with Windrow missing the point after.

Hondo kicked off to start the fourth quarter and Butler returned to his own 40 before being brought to a halt. Then, with 10:02 left in the fourth period, Woolls went over the left side of the Tiger line for 6 yards and the fifth touchdown of the game for the Owls, making the score 33-6. Windrow again converted to make it 34-6. After kicking off out of bounds, the ball was brought back and Butler received the ball, returning it to his own 35. A pass interference play moved the ball to the 46 yard line and then three pass incompletions brought a punt.

The ball then zig-zagged back and forth until Neuman again latched on to an interception and the Owls found themselves in possession on the 30 yard line. The Owl second team took the

field but was unable to pick up a first down and punted to the Tiger 20.

Then, with the first string again in the game, Neuman again intercepted the Tiger 15 yard line. Windrow carried to the 10 and Hartman went to the 2 yard line before Windrow found a hole in the middle of the line and went over for the final touchdown of the game. Windrow converted.

With only 34 seconds left in the game, the Owls held Floresville to two pass incompletions before the game ended with the final score reading Hondo 41, Floresville 6.

Hondo rolled up 12 first downs to Floresville's 3, and had 73 yards rushing while the Tigers managed to gain only 98 on 40 ground. The Owls completed 13 passes for 94 yards and Floresville completed 5 of 25 for 4 yards. Hondo intercepted Floresville passes.

Activities Outlined For Club

Mrs. E. J. Conrad, president of the Castrovilla Garden Club reports that the executive committee and members of the way and-means committee met at her residence Thursday afternoon and outlined the following plans to raise money for the coming year. Oct. 10, Legion Hall, Supper Party; Oct. 13, Opening of Cactus Corner, 9:12 a.m., 3:30 p.m.; Bake Sale, Mrs. R. Eckert; Mrs. Earnest Adams, morning hostesses; Mesdames Wayne Rhin and E. J. Conrad, in the afternoon; Nov. 17, Plant Exchange, Cactus Corner, Mesdames W. V. Sharp, D. J. Canty and Julius Jungman; Dec. 15, Christmas Sale, Mesdames Charles Suehs, Joe Hoog, in the morning and Mesdames Raymond Ellinger and Richard Schott in the afternoon.

Jan. 12, White Elephant Sale, Mesdames Tom Hoog and Stanley Keller, volunteers are needed in the afternoon; Feb., second Saturday in the month, Pie Sale, Mesdames Gene Suehs and Joe Braden in the morning and volunteers in the afternoon; March, spring plant sale, Mesdames Sharp, Canty and Jungman; April, Grab bag and home-made candy sale, volunteers; May, "You asked for it", volunteers.

Dr. M. S. Derankou has returned to San Antonio from a three months vacation spent in New York City. He expects to be in Hondo shortly.

Ludwig Bemelmans, the well-known author, who has given some publicity to US 90 in a recent article on Texas in a national magazine. Castrovilla is mentioned briefly in the article and a favorable comment is made of the pioneer houses, St. Louis Church and Landmark Inn.

Jordan T. Lawler is still enjoying the cool weather in Mexico. He is now visiting in Cuernavaca and expects to be back in the states by Oct. 15.

Ted James of San Antonio, was in town last week. He and his family spent the summer in Hawaii. Mr. James is the owner of the pioneer Steine House which he and Mrs. James have restored and furnished with original pioneer Texas custom made furniture.

HERE IN HONDO

Mrs. August Timmerman returned Monday after a visit with her new grandson, Michael Sueh, and his parents, Lt. and Mrs. Charles W. Gregory, of Laredo.

Take A Look At Planks Of Political Platforms

By Jerry June Berger

Because we believe that every qualified citizen should not only vote, but study the issues and be a well-informed voter, we have been carefully going over the platforms of both the Republican and Democratic parties.

Four years ago this newspaper supported Eisenhower. The principal reason we voted Republican for the first time in our life was due to the fact that we feel 20 years is long enough for a political party to control the reigns — that an occasional change is healthy for the preservation of our democracy.

But this time, on studying the platforms of both major political parties, we find that the Democratic party has much more to offer than does the Republican.

We have picked out just a few planks for demonstration purposes. On the subject of taxes, the Democratic platform reads:

"A fully expanding economy can yield enough tax revenues to meet the inescapable obligations of government, balance the Federal budget, lighten the tax burden. The immediate need is to correct the inequities in the tax structure which reflect the Republican determination to favor the few at the expense of the many. We favor realistic tax adjustments, giving first consideration to small independent business and the small individual taxpayer. Lower income families need tax relief; only a Democratic victory will assure this. We favor an increase in the present personal tax exemption of \$600 to a minimum of at least \$800."

And the Republican platform states, on the same subject of tax:

"... in so far as consistent with a balanced budget, we pledge to work toward these additional objectives: Further reductions in taxes with particular consideration for low and middle income families; Initiation of a sound policy of tax reductions which will encourage small independent businesses to modernize and progress; Continual study of additional ways to correct inequities in the effect of various taxes."

As you can see, the Democrats favor giving the tax advantage to the individual. It is a well known fact that large corporations and persons, such as movie stars, who draw fabulous salaries, generally vote for Republicans for it is with that party that they get their tax relief. The Democrats on the other hand, favor giving the tax advantage to the individual, and increasing the taxes to those who are most able to pay — the big corporations and the fantastically salaried individuals.

Next let us consider the postal service. Lengthy planks on this topic appear in both platforms and the positions of the two parties coincide with the positions taken by party leaders in Congress during consideration of the recent postal rate increase bill.

The Republicans claim vast improvements in the postal service and call for increased postage rates for a "more nearly self sustaining postal service."

The Democrats dispute the improvements and advocate operation of the post office as a public service.

Here again we side with the Democrats. Certainly the postal service should be operated in fashion which prohibits squandering money. We actually would not mind too much paying 4c to mail a letter, but why should the government try to make money on the postal service when billions of dollars are poured out of this country in the good name of "foreign aid" — and they never hope to regain a cent of this?

We would favor rescuing some of that money that is going down rat holes overseas and putting it to use in the postal service. If the postal service budget simply must be balanced, a drop in the bucket of that foreign aid money would be enough to do the trick.

And finally, we'll consider just one more of the long list of planks. It possibly is the most important to the future of our country than all others — that of freedom of information.

The Democratic Party plank on freedom of information is extremely critical of the Eisenhower Administration. Rep. John Moss (D., Calif.), who held hearings on this problem during the 84th Congress, was a member of the platform committee. He probably was influential in the drafting of the following: "During recent years there has developed a practice on the part of Federal agencies to delay and withhold information which is needed by Congress and the general public to make important decisions affecting their lives and destiny. We believe that this trend toward secrecy in Government should be reversed and that the Federal Government should return to its basic tradition of exchanging and promoting the freest flow of information possible in those unclassified areas where secrets involving weapons development and bona fide national security are not involved. We condemn the Eisenhower administration for the excesses practiced in this vital area, and pledge the Democratic Party to reverse this tendency, substituting a rule of law for that of broad claims of executive privilege. We re-aver our position of 1952 to press strongly for world-wide freedom in the gathering and dissemination of news. We shall press for free access to information throughout the world by our journalists and scholars."

The Republicans did not even bother to have a plank on this vital issue. Do you suppose that they do not want you and I to know the full story of what is going on?

Political party platforms are often brushed off as meaningless convention and campaign trivia. Could be, but they usually can be depended upon as weather vanes, showing which way the political winds are blowing. We hope our readers will study the issues involved before they blindly cast a vote for a candidate simply because one has a winsome grin or because another has a hole in the sole of his shoe.

"We Have Stopped Runaway Inflation..."

PERSONAL APPEARANCE

By Jerry June Berger

Say, you folks can talk about your "blue Mondays" all you want, but our Monday, for this week at least, was really rosy.

We frequently have a hard time getting started on that first day of the working week when we've been out of town all weekend, but this one began nicely. Waiting for us at the office was a note from a reader complimenting us on the write-up we had done for her the previous week. Then not five minutes later the phone rang and another party was telling us how much she appreciated a different article that had appeared.

That was almost too much for one week as it is a rare thing when anyone ever says "thanks" for anything they like that appears in print, but, boy do we catch it if it is something they do not like.

Anyway, back to our rosy Monday. We were called to the phone again and MRS. L. D. WILLIAMS informed us that our name had been drawn at their flower shop open house over the weekend and when we claimed our reward we found it to be a beautiful fall arrangement of bronze chrysanthemums and cattails in a container holding two flying ducks.

Actually, I suppose we should have expected that gift though. Our son came in last Thursday evening and confidently told us he was going to win a bouquet as he had written our name on a card at the new florist shop. He was quite serious about it and was not surprised Monday morning to find out that his particular ticket had been drawn. Our thanks to MRS. V. H. CROW for drawing our name.

PA We decided our youngsters were old enough to enjoy the Texas State Fair this year so we headed up north Texas way Thursday evening. Just to vary the scenery, we went up by way of Fort Worth.

The Fair did not open until Saturday morning so we had time Friday to attend Cinema in Dallas. That city is the only one in Texas that has made the view of Cinema available and it is well worth seeing if one happens to be in that vicinity.

Filmed by a different process in which three cameras are simultaneously shooting the same scene, the showing gives the audience the feeling that they are actually riding in that airplane. This particular one entitled "Seven Wonders of the World" was more educational than its two Cinema predecessors, but we wondered for a few anxious moments whether or not we would survive that run-away train which was rolling backwards down the steep Himalaya Mountains. We were in good company though, for we chanced to take our eyes off the screen briefly and discovered that everybody in the audience was holding on to their seat and swaying back and forth to try and stay on that train.

We helped break the attendance record at the greatest fair in this world on its opening day this year — we were among the 30,000 to go through the gates.

One could spend several days gazing at all the interesting exhibits on the grounds — about 90 per cent of which are free for the seeing. But we also took advantage of the opportunity to see the Broadway cast in the production of "Damn Yankees" at the fair of "Damn Yankees" at the fair of park auditorium. Contrary to what some may think the Civil War deals not with the Civil War but with baseball — and its showing during the time of the World Series couldn't have been more timely. We've seen better stage shows, but this one was definitely amusing.

We've also seen better football games than the one we saw in the Cotton Bowl that night, when

A&M tromped Texas Tech. For several years Tech has been beating lots of southwest conference teams, now this year when they have finally been allowed to become a member of the conference, they are having a struggle. We hope they win a few from now on.

A&M has a good team this year.

On the carnival grounds at the Fair, one amusement was missing. In years past they have had a double ferris wheel which goes up for one big circle then up again higher for another complete circle, but last year a couple of kids fell off the thing. This time they had the traditional kind.

The Monorail was interesting to see. It operates similarly to the elevated railways in New York and Chicago but is far more streamlined in appearance.

We could go on and on about the usual features of the Fair — the screams coming from the roller coaster and spook house, the smell of hot dogs and of hay, the barkers who tell of pretty girls or of salad making gadgets — but these are the same at all fairs. But maybe you'd like to go see all this yourself. The big show goes on for another ten days and is well worth anybody's time.

LaCoste News

By Mrs. R. R. Koch

M&M Harry Haby and daughters, Loretta, La Verne and Diana of near Dunlay, and M&M Randolph Koch and son, R. J., were Sunday dinner guests of their parents, M&M Ben Haby, of Hondo.

Mrs. George Zuercher was a business visitor in Castroville last Wednesday.

M&M Paul F. Christilles Sr. left Monday for New Orleans, from where they will sail on the S. S. Jamaica for a Caribbean cruise.

M&M Clayton Murphy and son, Dwayne, of Kingsville, spent the weekend here with M&M Bernard Rihn and family.

Mrs. John Lloyd Zuercher and daughter, Brenda Joyce, of San Antonio, visited Mrs. Milton Salzmann and children Saturday.

M&M Vincent Keller and son of San Antonio, visited here Saturday with M&M William Keller and son, Marion, and other relatives.

Mrs. George Zinsmeyer visited Mrs. Helena Ahr at the hospital in Castroville Saturday morning.

M&M Leo Hitzfelder and son, Rodney, Miss Mary Catherine Rihn and Anthony Rihn, visited M&M Raymond Waneck and daughter, Cynthia, of San Antonio Sunday. In the evening, the group went sightseeing at Brackenridge Park.

Mrs. H. N. Jungman visited at Natalia Sunday afternoon with M&M Alex Hitzfelder and family.

M&M Oscar Rohrbach and family of Hondo, and Pat Griffin of here, were Sunday dinner guests of M&M Milton Salzmann and family. In the afternoon, they were joined by Mrs. Alvina Salzmann.

SPEAKING OF SPORTS

By Dr. John H. Jennings

The Hondo Owls went through their 17th game without a defeat on the scoreboard last Friday as they took the measure of the stubborn AA Floresville Tigers 41 to 6. It was the fifth straight for the '56 Owls . . . and according to this week's Associated Press rating, places Hondo among the top four class "A" teams in the state.

Scout Report Correct

If we learned anything Friday night, it was to BELIEVE what the scouts report. Floresville had lost four ball games and we ruthfully had our tongues in our cheeks a bit when scouts Bob Nations and Tom Mosley stated that Floresville had as good blocking and tackling and as fine line play as any the Owls had seen . . . and that they had a fine ball club. The Tigers came out short on the scoreboard but, to put it mildly, they mixed it up real good with the Owls. They had some big boys in the line who stacked the Owls up very effectively most of the time. It was a good lesson and the boys should have learned a lot. The game should serve to keep our heads out of the clouds too . . . for the Tigers shocked the Owls back to earth until Hartman's passes sort of opened the gates. You're just NEVER so good that you can't get knocked off . . . and now with a state rating, everyone will be anxious more than ever to up-end the Owls.

Hartman & Interceptions

We are not expert enough to single out any one boy as a stand-out but certainly no one can question the spark Big Alvin Hartman provided Friday night. Against Uvalde, he passed 10 for 17 for two TDs and this week he was just as brilliant . . . calm and collected, though rushed more, as he completed 6 of 13 . . . again for two TDs. This week he added more spice as he carried 10 times for 104 yards. His longer runs were for 15, 30 and then a "Jim Swink special" for a 50 yard run on a QB option's play for a TD!

Big Alvin picked his receivers and hit them with professional-like accuracy — only one pass was near being intercepted — his passing is just about as pretty as you can find anywhere. Due credit can go to the receivers too, for you have to have men in the open to pass. Billy Neuman caught three for 15, 20 (for a TD) and 38 yards. Butch Woolls got two for 5 and 8 (for a TD) and Clyde Bohmfalk one for 8.

We repeat, Alvin was rushed more this week. For example, on one occasion he was all set to give one to Bohmfalk for 6 points but needed just two or three more seconds to get it off. Like is known, it takes eleven boys to make a pass click . . . if the boys up front can provide the protection for THEIR passer they will be getting lots of yards the easy way.

Interceptions hurt Floresville a lot too as these Owls picked foreign passes out of the air — Billy Potsovitich, Woolls, Hartman and three for Billy Neuman.

Floresville's receivers dropped a number of passes they should have caught too, one for a certain TD.

Safety Billy Neuman did not have an opportunity to run punts back this week.

The Scoring

The first quarter was scoreless as 35 yards in penalties hurt the Owl attack. Then 6 minutes in the second quarter, the Owls got the first score as Billy Potsovitich returned an intercepted pass to the Tiger 30. Highsmith went for seven with Butch Woolls later going over from 14 yards out. The next score came 1:33 before the half as Woolls intercepted and returned to the Tiger 45. Bohmfalk got a pass for 8, then five running plays got 17 . . . Highsmith had a 9 yard run before Hartman hit Billy Neuman with a beauty of a pass and catch for a 20 yard TD. The half-time score was 14 to 0.

The second half began with a bang as E. Butler, a colored boy, got off for a 90 yard scamper for the visitors lone TD. The third

Owl score came on a 71 yard march. Ten ground plays got 25 yards, with a 6 yarder by Woolls the longest, while two pass plays provided the dirty work. Neuman got a beauty for 38 and Woolls got the 6 points on an 8 yard pass. The fourth Hondo TD came with one second left in the third quarter as Alvin Hartman did some fine faking . . . then with three key blocks that we SAW . . . tore loose for a 50 yard TD run. He shook off a couple of men to stay on course.

Hartman "The Man" set up the fifth score with a 25 yard pass interception to the 15 where Butch Woolls drove hard for 8 then 6 for the score with 10 minutes left to play.

The Owls' second Unit played most all of the offense for the final 10 minutes. In the last two minutes, Billy Neuman ran an intercepted pass back 25 yards to the 14 where Johnny Windrow got 5, Hartman 7 and then Windrow 2 for the 40th point. Big John then stepped back and put his fifth of six conversions through the uprigths. He now has 10 of his last 11 attempts!

2nd Unit Action

It was good to see everyone on the club get into the game . . . and for about the third week in a row too. They all got in quite a bit of time against the Tigers' and had penalties (3 for 15 yards each) not handicapped them they would have done all right.

Louis Lasiter drove hard even though no holes were available and Sidney Mercer continues to show the proper spirited driving power from the FB spot. He is going to make a GOOD hand. Johnny Meyer was the QB and got off two fine punts.

Line Play

Line play is hard to watch . . . the Coaches have the book here . . . but it seemed Charles Tilley and Big Jug Wiemers showed some spirited line play. Tilley and Joe Torres both pounced on the same fumble in the second quarter . . . while Torres teamed up with Windrow in the 4th to cover another.

The Owl line is just not letting too many rushing yards through it . . . and more and more the opponents are trying to gain by air. The Tigers got 98 yards rushing and one run of 90 yards was a help here. This could be the equalizer one of these night . . . for a number of opponents have been open in the Owl secondary. A rushing line can take the kick out of a passing game too . . . something the line seemed to do a good job of against Floresville (see the six interceptions) and had better continue to do.

Mumps

Coach Carver is nervous. Guard Bobby Ward is down with the mumps . . . he missed the Floresville game . . . but to top it all, only two or three of the first unit have had the mumps . . . so you see, the Coach's dilemma!

Devine Develops

After seeing what Devine did to Del Rio, an 18 to 7 win, one does not have to see the scouts' report to know the Owls will meet a first Class opponent this week. It was something we personally had not counted on . . . but after the Del Rio showing, Devine can be considered a major roadblock on the Owls' undefeated express.

LaCoste Wins Fourth Game; No Losses

The LaCoste Eagles won their fourth straight game last Friday night — two district and two non-district — when they defeated the Sabinal Yellow Jackets 26-6 in District 37-B action.

Richard Olivian collected three touchdowns while Sherrill Reus added the fourth LaCoste score. Morgan Ramsey tallied Sabinal's lone marker in the second period. Olivian accounted for two Eagle conversions.

The victory boosted the LaCoste Eagles district record to two wins against no losses.

Their next game is Friday night Oct. 12, with Brackettville, at Brackettville.

Jess Duncan Dies After Long Illness

One of Yancey's oldest and most beloved citizens, Jess Duncan, 79, died at his home in Yancey, Oct. 4, 1956, at 2 a.m., after a long illness.

Services were held at the Yancey Methodist Church at 2 p.m. Oct. 5, with Rev. Smith, the pastor in charge. Interment was at Moore Cemetery.

Duncan was born Feb. 28, 1877, in Medina County, near Moore, and moved to his home near Yancey while still a young man. He was married to Miss Ida Harris Oct. 20, 1902.

Besides his wife, he is survived by one daughter, Mrs. Charles Heiligman; one son, Rudolph; one sister, Mrs. Betty Ferguson, of Moore; two brothers, Jake and Ben Duncan, both of Moore; two grandchildren and three great grandchildren.

HOOT AND D'HANIS EXPLANATION

Since I do not make a living writing this column, do it more as a "public service", and not wanting to be unjustly ridiculed, the Editor has let me explain two omitted items from last week's issue that I have been falsely accused of overlooking.

FIRST: Nothing appeared in my column last week about the Hoots' game with the Pearsall Jrs. The fact is, I did turn in a write up on the Hoots. Evidently the Editor did not have room to print it last week.

True, the Editor.

SECOND: Nothing appeared about the D'Hanis-LaCoste Hwy. 90 FINAL play-off game that D'Hanis won. This was definitely someone else's assignment and I thought it was taken care of. Sooo, I plead innocent on both counts — and though I realize everyone cannot be pleased, I, and I'm sure the Editor is too, am sorry these two items did not appear.

True, the Editor.

The Owls had a 21-7 win over Del Rio and the report is that Devine played the Wildcats about the same kind of game that the Owls did, except they mixed in a few more passes. The Owls used only three passes in the Del Rio game while Devine used about 13 or 14 . . . they ground out rushing yards the hard way, then mixed their passes well to make both methods more effective. Devine was behind 7 to 6 at half time, but came back to win 18 to 6. This is interesting, for the Owls in the last two weeks, have been most successful in the last half too. This Friday, the Owls had better get hot early and stay that way if they want to insure their proud undefeated record and state rating.

Devine has been the only team to shut out an Owl Buck Carver team — 8 to 0 in 1954, a real hard ballgame that found Devine ready all the way. In 1954, like this year, the Owls had played one of their best games two weeks before against Uvalde. The Owls were not ready for a fired up Devine Club. This time, though, the Owls have had ample warning and had better be ready with all guns loaded.

The '56 Owls go to Devine with one of the proudest of all Owl records . . . 17 games without a scoreboard defeat. Let's hope by 10 p.m. Friday, it will be No. 18. It's worth fighting for!

St. Louis Comets Lose To Schreiner

After playing football for several years, the Rebels of Schreiner Institute, Kerrville, finally won their first ball game last year, downing Rocksprings.

This year, they again beat Rocksprings and last Friday afternoon scored an upset victory over the St. Louis Comets of Castroville, by a 15 to 12 margin. After serving as the doormat of the South Texas Academic League, the Rebels have now proven themselves a power to be respected in this year's title race. They have a big, hard-charging line and a pair of good backs in Livingstone and Smith.

It was Smith who did the scoring for the Rebels, once on an 88

yard kickoff return, Royce Groff tallied twice for the losers.

The defeat put a serious though not necessarily fatal damper on the Comet hopes of repeating as champions of the S. T. A. L. But, they will have to play better ball than they did last Friday as their blocking was ragged and their tackling erratic. Groff moved well on the two touchdown marches, but the rest of the time the Kerrville boys kept him pretty well bottled up. Lutz the big fullback, just couldn't find his holes and only picked up 27 yards in 12 carries.

The Rebels jumped to an early lead via a blocked punt. The Comets took the opening kickoff,

but were promptly stopped. Rebel linemen broke through to block the kick and take possession of the ball on the visitor's 11 yard line.

On the third play, Livingstone went over from the seven and Kerrville was ahead 6-0.

The Comets bounced back immediately, as they took the kickoff on their own 33 and went all the way in 11 plays with Groff picking up the final yard around right end. After the kickoff, Schreiner tried to pass only to have their first toss intercepted by Steve Haby. For a while, neither side moved very far, until the final minutes of the first half. This time it was Groff who intercepted the pass. He and Lutz began to march goalwards. With time running out, the Comets got in too big of a hurry and ran out of downs on the two yard line.

To open the third quarter, the Comets kicked off to Schreiner. When the Rebels were stopped in their efforts and forced to kick, the Comets again journeyed to the goal. Again it was Groff who swept the last 23 yards and put the Castroville team in front. The try for point failed, so the score stood at 12-6.

It didn't remain that way long, as Livingstone took the kickoff on his own 12 and went all the way. He also scored the extra point to give the Rebels their margin of victory.

For the rest of the game, the hard-charging Kerrville line kept the Comets bottled up deep in Comet territory and finally caught Groff behind the goal for a safety. With the score standing at 15-17 and three minutes left to play, Groff threw a pass to Justin Jungman for 90 yards and a TD. Cheers of Comet fans quickly turned to groans, however, as the play and touchdown were both nullified by a penalty. Soon the game was over and Schreiner had won their first league game.

In ground gained, the two teams were even closer than in the score. The Comets picked up 127 yards in 45 attempts while the Rebels got 126 yards in 35 carries. Schreiner threw six passes, completing 2 for 35 yards and had 2 intercepted. The Comets finally came up with some pass completions, gaining 36 yards through the air as they also threw six passes and completed two. The big pass play, of course, the one from Groff to Jungman, never made the score sheet.

Tomorrow night, Oct. 13, the Comets play host to the Shertz-Cibola Buffaloes at Castroville.

Hondo Hoots Lose 2 District Ball Games

The Pearsall Doggies took a pro-sounding game like - score from the Hoots 39 to 27 two weeks ago. It was a good ballgame and the Hoots did not quit. They were behind 20 to 0 at half time and came back to tie the score at 20-20 before finally losing out in the scoring.

Pearsall's ability to run the Hoot ends spelled the loss for the locals. The boys just have not played enough to turn plays in or to follow the deception.

The injured 180 lb. 9th grader, Charles Neuman, provided a lot of spark for the Hoots. Pearsall acted like they did not want too much of Neuman, but Charles had better realize that it's not always that easy . . . for when you get with the Owls you have to lean heavy for the yards you get.

Mike Moore at 104 lbs. played a fine ballgame and ran very good, indeed. He has the potential of making the Owls a fine runner in the future.

The same goes for Cliff Sadler. He has lots of "moxie" and throws a fine pass . . . maybe another Hollmig or Hartman in the making. His punting is already showing to good advantage.

Louis Schmitz scored the final Hoot TD. Sadler and Neuman got the other scores.

Dilley Over Hoots

The Hoots took a 26-13 licking from the Dilley Jrs. last Thursday for their second district loss. The Hoots were far from sharp and runs around the ends again got them in trouble.

The Hoots got the first score on good runs by Charles Neuman, Mike Moore and Dale Lindeburg. Dilley tied it up on 47 yard pass play for a TD and then went ahead 13 to 6 as they ran the end for several plays beginning from mid-field. The Hoots tied it up after half time as Louis Schmitz went over from the 5. Dilley got the fourth TD with 45 seconds left. Fred Graff broke through to block the extra point. Neuman's knee kept him out of the last half.

Treat Yourself

The Hoots play their final home game this Saturday night at 7:30 against Carrizo Springs. Treat yourself and get out to see these future Owls develop. The Jr. Hi. District is composed of Hondo, Pearsall, Carrizo Springs and Dilley.

The girls are in the act too as five cheerleaders were elected last week: Head Cheerleader is Rita Meyer, and is assisted by Sue Nell Ward, Doyleene Enloe, Kay Highsmith and Jeannie Cornelison.

Castroville Wildcats Lose District Opener

The Castroville Wildcats took the field against a strong Rocksprings eleven last Friday night, only to lose 19-0 in their first district counter.

After Rocksprings kicked off, the ball was returned to the Wildcat 45 by Frank Garza. Fullback Tom Garza broke through the Anghora defense for 37 yards on the first Castroville play from scrimmage. Melvin Poeck then added 9 yards on a quarterback sneak, leaving the ball inside the Rocksprings 20 yard line.

The defense tightened and Castroville was held for downs on the Rocksprings 5 yard line.

The single wing offense of Coach Edward Tipton's Rocksprings Anghoras took the ball and moved it across mid field. Castroville held for downs on the 50 and Rocksprings was forced to punt.

Garza received the punt for Castroville but fumbled only to have the Anghoras recover on the Wildcat 20. Three plays later, Rocksprings made it 7-0.

The ball changed hands several times during the first half but the two periods ended with the score 7-0.

The Wildcats, after kicking off to start the second half, held the rugged Rocksprings eleven on the one foot line. Castroville took over and Joe Hernandez carried to the 4 yard line. Garza then carried to the 12 but an off-sides penalty brought the ball back to the one yard line. The Wildcats found themselves in trouble again, after punting for 5 yards, placing the ball on the Wildcat 8 yard line.

Tom Garza intercepted a pass on the 10 yard line and returned it to the 50, only to have it taken back to the 30, following a clipping penalty against Castroville. The third quarter ended here, with the score still 7-0.

The Wildcats then returned the favor to Rocksprings, when a pass intended for Hernandez was intercepted and returned for a touchdown for Rocksprings. Try for point failed and the score was 13-0.

The Wildcats, again unable to move the ball past mid-field, watched as Rocksprings pulled a double reverse and wound up on the Wildcat 10 yard line. Two plays later, the score was 19-0 and the game was over.

Castroville will meet Southside at Castroville tonight.
